REGULATORY FEES							
Development Assessment - General Fee Information							
1. Waiver of Development Application Charges- The CEO or Manager may determine to partially or wholly waive a Development Application Fee where strict Application of the scheduled fee is considered unreasonable for the type of Application being received.							
2. Combined Applications- the application shall be accompanied by a fee that is the combined total of all applicable fees.							
3. Undefined Use- Where an Application involves a use that is not defined in the applicable planning scheme or is not specifically provided for in the Schedule of Fees the fee will be set as the use deemed most similar by the CEO or Executive Manager.							
4. Self Assessable- there is no fee for self assessable development.							
5. Consultant Costs- The cost of external consultant's fees for any further assessment or advice required by Council in consideration of any application or submission and/or technical report may be charged to the Applicant. The Applicant will be notified of Council's intent to refer the Applicant to a consultant following receipt of a response to Information Request (or earlier). If Council elects to recover the cost of the consultant the consultant's costs must be paid prior to the final determination of the Application.
