Moved: Cr Noah, *Second:* Cr Stephen That the minutes of the April 2021 SARG Meeting be adopted as true and accurate account of that meeting. <u>All in favour</u> 6. Strategic Action Items Review

Acting Chief Executive Officer, Mr David Baldwin spoke to the report and provided an update on the action items listed.

- Mualgal Holding MLS to bring back to SARG when Legal has a response from Chris McLaughlin and Council should be guided by Cr Trinkoon and Cr Levi.
- Dr Chris Sara SEA to again make contact with Dr Sara and reinvite him to attend Ordinary Meeting (November)
- Update Cr Fell action old water pumps that where taken out of houses. Cr Fell would like to know what happened to them.
- Update Lead officer from HOCAE to Legal Services

<u>New Action</u> – MLS - Provide SARG with an update on where the Name Change process. Cr Lui commented we had already had a deputation with the State.

- DOGIT transfer - Wait until we know what the position of the State is.

<u>New Action</u> – Cr Lui - ACEO to ensure when a matter /paper comes to the table for a resolution then it should be endorsed as per the proper process by Council.

 MOU with TSRA – incorporate elected arm of both parties into the document. Cr Lui asked why we can't have an MOU driven from a cultural perspective (elected leaders and how they interact). How this can be done. Need to have an overarching MOU around the different committees. Legal needs to sit with the TSRA heads.

1:26pm - Acting Chief Engineer join the meeting.

- DOGIT Peter Krebs currently working with Allen Cunneen.
- Disaster Management Plan currently having informal discussion with parties.
- **1:53pm** Chief Financial Officer leaves meeting.

TSRA Board to work with Councillors on ground. TSIRC top 5 priorities need to go to TSRA. We need to make formal request to TSRA regarding MIP7.

ACTION: ACEO to send TSRIC 5 top priorities for each Division to TSRA.

7. Chief Financial Officer

1. Risk Update – Acting CEO spoke and provided SARG with an update.

TORRES STRAIT ISLAND REGIONAL COUNCIL

SARG REPORT

SARG MEETING:	August 2021
DATE:	5 August 2021
ITEM:	Agenda Item for Strategic Advisory Reference Group
SUBJECT:	Fitness for Work Policy
AUTHOR:	Tracey Burrell, Acting Head of People & Wellbeing

Recommendation

That the Strategic Advisory Reference Group note the Fitness for Work Policy and recommend this for inclusion on the agenda at the August Ordinary Meeting.

Executive Summary:

In order to meet obligations as defined by the *Work Health and Safety Act 2011* Council is required to demonstrate its approach and commitment to the management of employees and their ability to undertake work. The proposed Fitness for Work Policy and its associated procedure set out the minimum requirements to meet mandatory health and safety obligations to ensure all employees are in a condition to safely carry out work.

Background:

Council has a right to check that employees are fit to perform their roles. This is a critical part for an employer to meet safety obligations.

The concept of fitness for work is broad and deals with the relationship between an employee and their ability to carry out the duties of their role safely and competently. This goes beyond qualifications and experience, fitness for work deals with 'individual' factors such as the effect of:

- Fatigue;
- Alcohol and/or other drug use;
- Medical fitness; and
- Mental health and wellbeing.

Council and employees have responsibilities in regard to fitness for work. For an employee, there is a responsibility to:

- ensure their own safety and health at work (e.g. not turning up to work impaired by the consumption of alcohol); and
- avoid negatively affecting the health and safety of others (e.g. poor decision making while under the influence of alcohol may put work colleagues at risk).

Council has a responsibility to maintain a working environment in which, as far as is practicable, employees are not exposed to hazards (e.g. work arrangements are appropriate to manage fatigue).

The implementation of a Fitness for Work Policy and Procedure will provide guidance to address fitness-for-work issues in the workplace.

Comment:

This is a common policy document required to demonstrate Council's commitment to providing a safe workplace and promoting safe work practices by ensuring employees are in a fit condition to perform their work.

Consultation:

- Safety and Wellbeing Coordinator
- Manager, Governance and Compliance
- Council's Executive Team

Links to Strategic Plans:

- People
- Sustainability

Conclusion:

That SARG Committee notes and recommends the attached policy for inclusion on the agenda at the August Ordinary Meeting.

Fitness for Work Policy

Responsible Manager	Head of People and Wellbeing
Head of power	Work Health & Safety Act 2011 (Qld) Work Health & Safety Regulation 2011 (Qld)
Authorised by	Council
Authorised on	TBC 2021
Implemented from	TBC 2021
Last reviewed	June 2021
Review history	2021
To be reviewed on	Month 2024
Corporate Plan	People, Sustainability and Prosperity

1. Purpose

This policy and its associated procedure outlines Torres Strait Island Regional Council's (Council) approach and commitment to the management of staff and their ability to undertake their work, as defined by the Work Health & Safety Act 2011 (Qld).

This policy and the Fitness for Work procedure should be read and implemented in conjunction with Council's Work Health & Safety Policy. Combined they set out the minimum requirements to meet mandatory work health and safety obligations.

The policy and procedure are intended to ensure all employees are in a condition to safely carry out work.

All employees are responsible for reading and understanding the policy and procedure. This policy provides the framework for management of general employee fitness for work, including non-work-related illness and injury. Council has an expectation that all employees are able to undertake the inherent requirements of their role.

This policy and its associated procedure aim to assist employee with their general fitness for work through education, counselling and referral to healthcare practitioners where appropriate. The objective is to ensure that the expectation for employee fitness for work is clearly defined and that Managers have the information required to manage the issues outlined in this Fitness for Work Policy and the associated procedure.

2. Application

This policy applies to Council Officers, including contingent employees, volunteers, and Elected Members.

Council regards it essential that all persons engaged in its operations, are aware of and fully comply with, all legislative and organisational requirements.

3. Legislation/Policies

This policy is established with reference to obligations specified in the Work Health & Safety Act 2011 (Qld), Work Health & Safety Regulation 2011 (Qld) and the Word Health and Safety Policy.

4. Provisions

It is Council's intention to ensure a safe workplace and safe work practices by ensuring that all employees are in a fit condition to perform their work without compromising their own safety, the safety of fellow employees or members of the public. Council is required to comply with Legislative and other work health and safety obligations and must take steps to ensure it meets it obligations to employees and conducts its operations in a safe and responsible manner.

Council is committed to providing a workplace where workers are not exposed to hazards arising from insufficiency of fitness for work.

Whilst the misuse of alcohol and other drugs (AOD) may have an impact on an individual's fitness for work, there are inevitable trade-offs which must be made between individual lifestyle choice and the obligations individuals have to themselves and other with whom they work. Council believes it has established fair and accountable parameters which meet all obligations. The management of the risks associated with the use of AOD at work is essential to ensuring a safe and healthy work environment. Any individual present in the workplace, who has consumed AOD could; endanger lives, present a potential risk to safety, and potentially cause damage to property and equipment which Council seeks to prevent.

This policy is intended to ensure all employees are in a condition to safely carry out work. The unauthorised use of AOD by employees is strictly prohibited. Any employee identified as contravening this policy may be subject to Council's disciplinary procedures, which may include termination of an employee's employment or a contractor's engagement.

TSIRC will enforce this policy by:

- Creating a healthy and safe work environment for all workers, free from the hazards associated with alcohol, drugs, fatigue and work-related mental stress in the workplace.
- Promoting a mentally healthy workplace culture.
- Providing education and awareness training to employees to overcome the inappropriate use of alcohol and drugs, fatigue issues and individual stress levels.
- Ensuring a rehabilitation process is provided for employees with alcohol, drug or fatigue problems.
- Fostering a workplace culture amongst all workers that it is not acceptable to come to work in a condition that will prevent performance of duties in a safe manner.
- Ensuring Council meets its legal obligations by providing a healthy and safe working environment for all workers and other persons.

In meeting this commitment Council will:

- Take measures to help workers maintain alertness while working.
- Increase awareness in their workplaces through support &wellbeing programs, about fitness for work, and alcohol and drug consumption.
- Identify signs of fatigue or other factors which could influence fitness for work.
- Devise realistic time schedules and rosters to minimise fatigue.
- Provide support for effective management of fitness for work.
- Not purchase, supply or serve any alcohol at any Council workplace functions.

TORRES STRAIT ISLAND REGIONAL COUNCIL

SARG REPORT

SARG MEETING:	August 2021
DATE:	5 August 2021
ITEM:	Agenda Item for Strategic Advisory Reference Group
SUBJECT:	Diversity and Inclusion Policy
AUTHOR:	Tracey Burrell, Acting Head of People & Wellbeing

Recommendation

That the Strategic Advisory Reference Group note the Diversity and Inclusion Policy and recommend this for inclusion on the agenda at the August Ordinary Meeting.

Executive Summary:

A need has been identified for a Diversity and Inclusion Policy to be implemented that reflects Council's commitment to build a workforce that is equal and inclusive, where diversity is encouraged and everyone is respected, welcomed, supported and treated equitably. A Policy has been developed for consideration by Council.

Background:

To meet the Corporate Plan 202-2025 objective "Develop council as an employer of choice within the region and nationally" an identified key deliverable is to develop a diversity and inclusion policy.

Diversity and inclusion in the workplace are considered a business imperative for organisations globally and important for Council as it contributes to the establishment of a positive workplace environment.

The concept of creating a diverse and inclusive workplace has gained traction across various industries, including local governments, as its benefits have become increasingly clear as many employees now make it a deciding factor for choosing their employer.

Promoting a diverse and inclusive workplace can bring benefits such as higher employee engagement, improved performance, greater innovation, retention of talent, improved employee wellbeing and lower levels of unlawful behaviour such as harassment and discrimination.

Comment:

The Diversity and Inclusion Policy sets Council's commitment to creating a workplace where diversity is valued, people are included, feel comfortable and supported.

Organisations that create diverse and inclusive work environments are more adaptable, creative, and attract top talent.

Consultation:

- Manager, Governance and Compliance
- Council's Executive Team

Links to Strategic Plans:

- People
- Sustainability

Conclusion:

That SARG Committee notes and recommends the attached policy for inclusion on the agenda at the August Ordinary Meeting.

1. Purpose

Torres Strait Island Regional Council (Council) is strongly committed to creating a workplace where diversity is valued, people are included, feel comfortable and supported.

Council recognises and respects diversity, individual needs, experiences, and strengths, through the creation of an environment that enables our people to thrive and achieve their aspirations.

This policy will guide decisions on how Council will shape and support our workplace and will also inform Council's various policies, procedures and strategies that align with diversity inclusion and belonging.

2. Application

This policy applies to all Council Officers, including contingent employees, volunteers, and Elected Members.

3. Legislation/Policies

This policy is established with reference to obligations specified in the *Anti-Discrimination Act 1991* and Council's People and Wellbeing Policy.

4. Provisions

Council is committed to fostering, cultivating, and preserving a workplace culture of diversity, equity and inclusion.

Our people are the most valuable asset we have. The collective sum of the individual differences, life experiences, knowledge, inventiveness, innovation, self-expression, unique capabilities and talent that our employees invest in their work represents a significant part of Council's purpose and how we deliver for our communities.

We embrace and encourage our employees' difference in gender, gender identity, age, ethnicity, cultural background, religious belief, sexual orientation, marital or family status, disability, socio economic background, perspective or experience and other characteristics that make our employees unique.

Council's diversity and inclusion initiatives are applicable, but not limited, to our practices and policies on recruitment and selection, compensation and benefits; professional development and training; promotions; transfers; social and recreational programs; terminations and the ongoing development of a workplace environment built on the premise that encourages and enforces:

- Respectful communication and cooperation between all employees.
- Teamwork and employee participation, permitting the representation of all groups and employee perspectives.
- Work/life balance through flexible work arrangements to accommodate employees' varying needs.
- Employer and employee contributions to the communities we serve to promote a greater

understanding and respect for their diversity.

All employees of Council, including contingent employees:

- have a responsibility to always treat others with dignity and respect.
- are expected to exhibit conduct that reflects inclusion during work, at work functions on or off the work site, and at all other Council organised events.
- are encouraged and have a responsibility to respectfully address behaviours that conflict with this policy and Council's values.
- will be required to participate in annual diversity and inclusion awareness training to enhance their knowledge to fulfill this responsibility.

Any employee found to have exhibited any inappropriate conduct or behaviour that contradicts this policy, may be subject to disciplinary action.

Employees who believe they have been subjected to any kind of discrimination that conflicts with this policy, should seek assistance from their line manager, supervisor or People & Wellbeing.

Most of the TSIRC fuel infrastructure needs a replacement or upgrade as it has reached end of useful life and in some cases, no suitable infrastructure existed at the outset of amalgamation.

Following on from internal Safety Audits and Reports completed in October 2020 and May 2021, significant fuel safety improvement actions have been scoped, planned and delivered and others in progress. Most recent May 2021 internal safety audit is attached as appendix 1.

These fuel improvement measures include (but not limited to):

- All 13 community fuel sites that TSIRC supply fuel have received relevant PPE and safety equipment's including spill kits, first aid kits, emergency eyewash cabinets, new or replacement fire extinguishers and safety signage.
- Initial fuel safety training has been delivered to all sites by Special Project & Logistics staff to 65 Engineering Staff in divisions on safe fuel and gas operations. Further Take 5 online training is under development by Learning & Development for ongoing training needs. This training should be delivered in August and September 2021. This will then be available for ongoing training needs for new staff handling fuel and gas.
- All sites utilising 200L drum fuel have been provided with a paste to test daily for water contamination prior to dispensing fuel. Contaminated fuel has been a key issue for divisions dispensing fuel from 200L drums. Engineering operations have also been proactive in organising safe water-resistant drum covers for additional water contamination measures.
- Eight new solar powered fuel tanks with bowsers are being fitted out as interim solutions for Boigu, Mabuyag, Saibai and Kirirri to replace dispensing of fuel via 200L drums – forecast completion date 30/9/2021. Please see appendix 2 for project schedule timelines. Note Erub was in scope but has working fuel bowsers, operational decision made to prioritise Kirirri for interim solution as bowsers non-functional. State funding of \$400,000 has been granted to upgrade Erub by 30/3/2021. Interim fuel tanks with bowsers to be installed at Saibai until new community fuel site is commissioned in late November 2021. The Saibai interim fuel tanks with bowsers can be relocated to Erub or another fuel site as needed. Each of the four interim solutions will be fitted with new 2.1m high stainless steel wire mesh fencing with barbed wire three strand above fence line and solar powered/battery motion sensitive spotlights to deter unauthorised access.
- Contract awarded to build new Saibai facility with EFTPOS forecast completion date 30/11/2021.
- Total of \$1.2M grant funding has been endorsed by Council for future Works for Queensland to replace fuel facilities at Boigu, Mabuyag and Erub forecast completion date 30/3/2022.

Fuel Improvement Reports

Please see table 1 and 2 for two-page snapshot and funding status report. Please see Plates 1 and 2 for photographs of existing examples of end of life fuel sites in appendi&., hand fuel pumping and interim measures using new fuel tanks and bowsers, which are safe and compliant for our éommunities.

Á

<u>Mabuyag</u>

Note the proposed interim fuel dispensing area at Mabuyag will be relocated away from the existing shed to within the existing boundary of the original fuel dispensing and tank storage area. Relocating the bowser to the ramp area has been investigated and is not value for money and unfunded in the short to medium term. See appendix 3 for location of fuel tanks and bowsers, a new gate will be installed to facilitate fuel dispensing outside the new tanks and bowsers.

<u>Saibai</u>

Tender for the Saibai Fuel Bowser upgrade has been awarded at the July 2021 Council Ordinary Meeting. The successful contractor is scheduled to mobilise in late October 2021 to commence works on site. The forecasted project completion is scheduled for late November 2021.

Note, the initially proposed temporary fuel bowser location at Saibai has been deemed not feasible due to the site conditions. The associated costs to improve the site conditions to enable safe fuel operations for TSIRC staff and customers is estimated to exceed allocated project budget and not value for money due to short term use.

Kerbside delivery from outside the existing temporary fuel shed has been investigated and is not compliant with relevant safe fuel operating standards for both ULP and Diesel. A revised Council owned site has been identified and is shown in appendix 3. This site will be compliant and can be repurposed as a secure storage area for TSIRC plant, vehicles and equipment post commissioning of new community fuel site as will be fully fenced and have security lighting.

Mer

TSIRC have allocated \$572,000 of its own funds for the new fuel bowser at Mer. Council is also seeking external funding to fund the entirety of the upgrade. This project is currently at the project planning, location assessment and design phase for a new fuel facility with EFTPOS.

The proposed new location for the new fuel bowser has been assessed by TSIRC BSU and Engineering team along with the Divisional Councillor and representatives of the St James Church. The proposed new site is deemed fit for purpose and will undertake necessary approvals, planning and scoping.

Conclusion:

That the SARG notes the report as attached.

4	Mabuiag	 Dispencing: The general area is need of housekeeping (Lawns mowed – in the compound and around the outside, rubbish & clutter removed, weeds along the fencing be sprayed). Spill Kits are not easily accessible in case of an emergency No First Aid Kit / Eye Wash Station Ballets are positioned in a way that can be easily moved. The area is secure with adequate signage. Eirefighting equipment available and within testing date. Empty Drums are located outside of the compound (to the right) The Dispensing area is located approximately 10m to the Mechanic's shed, 15m to the Builders shed, 40m to the Water treatment plant, 95m to the nearest residential building and 150m to the school. Storage: Empty drums are located to the right (outside of the dispensing area). Drums are stacked on pallets but not strapped. Builders black film has been placed on the ground under the pallets to prevent possible spillage onto the ground. 	High 17	High 21	 Dispencing: General house keeping to be conducted immediately - Grass, Weeds, Rubbish removed Grass to be mowed around perimeter of dispensing area (up to 2m from the fence) Spill kit - To be moved to a location where it is easily accessible (in case of a spill) No First Aid Kit / Eye Wash must be supplied (as a matter of urgency) Drums being used to dispense fuel be placed on a bunded pallet Empty drums to be relocated to a different area (Not stored near the dispensing area). Storage: Separation of Drums - Crossfield has identified a location for where the empty drums can be stored. There is a large concrete pad located approximately 30m away (Approx. 12m wide & 25m long) between the mechanic's shed and the water treatment plant office. Signage, temp fencing with lockable gate will be required. This will create the separation between the full drums and reduce the risk. Bemoval of empty drums (at regular intervals) Ensure grass area around the are (up to 2m from the temp fencers is mowed Weeds along the fence line are sprayed (poisoned) to ensure no overgrowth Additional pallets stacked to one side - If all pallets are used, a pallet is taken and placed in waiting area. Empty drums are placed on the pallet until it is full, then strapped straight away. TORRES STRAIT ISLAND REGIONAL COUNCIL

SARG COMMITTEE REPORT

COMMITTEE MEETING:	August 2021
DATE:	4/8/2021
ITEM:	Agenda Item for SARG Committee
SUBJECT:	BSU Update
AUTHOR:	Peter Jacques Head of Building services

Recommendation:

That the Strategic Advisory Reference Group Committee note the information contained in this advice and endorse its submission to the August Ordinary Meeting of Council.

Purpose:

This report outlines the current business activities of the BSU.

Staffing:

All apprentices currently employed by TSIRC have now reverted to the BSU who will ensure their training meets the needs of the Individual.

3 TSIRC staff carpenters have been promoted to Assistant Supervisors being Ivan Lui, Ishmael Baira and Billy Bourne.

All BSU Island staff were collected on Poruma for a 3 Day Training Session all staff successfully complete training in Asbestos Awareness, Working at Heights, Confined Spaces and First Aid.

Partnerships: Qbuild Program

Unplanned Maintenance R & M Jobs

BSU to have all responsive w/o over 180 days completed and invoiced by 30 September 2021 BSU to have all responsive w/o over 120 days completed and invoiced by 30 December 2021 BSU to have all responsive w/o over 90 days completed and invoiced by 30 March 2022

BSU had Grand Total of 1636 jobs at the beginning of the program we now have a total of 837 down 799 since beginning of program. 31/5/21.

Of the 615 jobs over 100 days outstanding at 31/5/21 BSU have completed 433. BSU will have all jobs over 100 Days completed by 30 September meeting all expectations.

NAHA UPGRADES

BSU to have 25% of all projects (54Projects) completed by 30 September 2021 BSU to have 60% of all projects (130) completed by 30 September 2021 BSU to have 80% of all projects (174) completed by 30 September 2021

- BSU will have 154 75% of all projects completed by 30 September 2021 and the remaining 203 by December 2021, not including new work.
- BSU will complete all Home Ownerships by 30 September along with al DOE/Hips which are include in the 174 projects.

Invoicing for the Month of July

Unplanned Maintenance\$ 564,579.00Up Grades\$1,200,659.00Outstanding Invoices\$429,797.83 this amount was held up by certificates that would have seen the works financially complete.

Yorke	90	\$1,800,989.03	

Capital Purchase

BSU hope to purchase a Telehandler shortly, instead of hiring one from contractors at a rate of up to \$22k a day. This will necessitate the hiring of a full time and Part time Plant operator from the Islands and train them in the operation and management of the equipment.

DNC plumbing have advised TSIRC that they are purchasing a Barge to move their equipment through out the Islands and would welcome the opportunity to Tender for transportation of BSU equipment and the removal of Builders waste from the Island.

Recommendation:

That the Strategic Advisory Reference Group Committee note the information contained in this advice and endorse its submission to the August Ordinary Meeting of Council.

TORRES STRAIT ISLAND REGIONAL COUNCIL

SARG REPORT

SARG MEETING:	August 2021
DATE:	5 August 2021
ITEM:	Agenda Item for recommendation by SARG Committee
SUBJECT:	Policy Matter – Policy Review, SPECIAL HOLIDAYS
AUTHOR:	Dawson Sailor, Acting Head of Community Services

Recommendation:

That the Strategic Advisory Reference Group Committee, note the information contained in this report and recommend the following for Council endorsement:

• Endorse the list of 2022 special holidays outlined in Attachment A to this report

and

• delegate authority to the Chief Executive Officer in accordance with the *Local Government Act* 2009 to submit the list of 2022 special holidays to the Minister for Employment and Minister for Education and Minister for Industrial Relations, for approval.

Executive Summary:

The purpose of this report is to seek SARG's endorsement of the 2022 nominated special holidays.

Background:

Each year Council submits special holidays for the TSIRC Local Government area to the Minister for Employment and Minister for Education and Minister for Industrial Relations, for approval. The special holidays for 2022 are listed in Attachment A.

Comment:

Divisional Managers collaborated with respective Divisional Councillors to confirm the special holidays for 2022.

Considerations

Risk Management

TSIRC employees are paid at standard rates for gazetted holidays.

Sustainability

Prior to nominating the special holidays for 2022, Council may consider undertaking a cost-benefit analysis of gazetting each date, on a case-by-case basis.

Consultation:

- Divisional Councillors
- Divisional Managers, Community Services
- Regional Managers, Community Services
- Mette Nordling, Manager Governance
- Dawson Sailor, Acting Head of Community Services

Links to Strategic Plans:

Corporate Plan 21/22 Operational Plan 21/22

Statutory Requirements:

Local Government Act 2009 Local Government Regulation 2012 Holidays Act 1983

Conclusion:

That the Strategic Advisory Reference Group Committee note the information contained in this report and recommends that Council resolves to endorse the list of special holidays for 2022.

Endorsed: Dawson Sailor Acting Head of Community Services

David Bet

Approved: David Baldwin Acting Chief Executive Officer

Alario Sabatino

Recommended: Ilario Sabatino Chief Operations Officer

TORRES STRAIT ISLAND REGIONAL SARG REPORT

SARG MEETING:	August 2021
DATE:	4 August 2021
ITEM:	Agenda Item for Discussion and Noting
SUBJECT:	Housing Investment Plan (Capital Works Program)
AUTHOR:	Harrison Sabatino, Manager, Housing

Recommendation:

The Strategic Advisory and Reference Group (SARG) committee note this report as a draft planning schedule for council consultation of \$14.428m Housing Capital Works Program.

Executive Summary:

The approved funding committed by the Australian Government is intended to be utilised to increase the supply of housing which includes new construction, extensions to existing houses, or land lot development. There are options available to what is best needed in each division as per councillor advise and data administrated from housing and building services unit.

Conversation with councillors have already commenced and all aware current travel is to collated information as evidence to released funding of \$14.428m to address community housing needs and concerns.

Background:

The Australian Government committed \$105M to address overcrowding in remote and discrete communities. At this time, a Mayors Workshop was held in February 2020 to discuss the allocation methodology for these funds.

In the workshop the Mayors agreed to a methodology for distribution of the funds with weightings given for population 60%, overcrowding 30% and homelessness 10% and applying a Building Price Indices using Rawlinson's Construction Cost Guide.

Further to above, there is a three-stage tiered funding methodology utilised, with 30% payable for stage one, 60% stage two and 10% for stage three. TSIRC is currently on stage one, which is Planning and Preparation. This includes gathering evidence and providing to state prior to funding being released.

The table below illustrates the discussion points and draft travel schedule.

Consultation Plan	
Allocation Per Division	\$961,866
Contingency funds (10% of total)	96k
Targeted completion date	21 September 2021
Consultation with	Councillors and identified tenants
Options Available	Plug ins
	New Builds

	Build Under's
Travel Team	Ilario Sabatino (Chief Operating Officer) Peter Jacques (Head of Building Services) Robert Yorkston (Building Supervisor) Dawson Sailor (A/Head of Community Services) Harry Sabatino (Housing Manager)

Dates	Island
02/08/2021	Murray Island
03/08/2021	Poruma Island / Mabuiag Island
04/08/2021	Badu Island
05/08/2021	Moa Island (Kubin / St Pauls Community)
09/08/2021	Saibai Island
10/08/2021	Boigu Island
11/08/2021	Darnley Island
12/08/2021	Hammond Island
16/08/2021	Masig Island
19/08/2021	Warraber Island
23/08/2021	Ugar Island (Chopper)
24/08/2021	Dauan Island (Chopper)
25/08/2021	Yam Island
Note: The above is subject to change	considering the availability of Councillors and transport on
proposed dates	

Key Considerations:

- Native Title
- Indigenous Land Use Agreements (ILUAs)
- Rent Increases
- Freight and other on costs

Risk

- Loss of funding and delayed construction if experience delays in submitting Housing Investment Plan to Depart of Housing and Public Works.

Links to Strategic Plans:

Outcome 2: Our communities are safe, healthy, and active.

2.3 Facilitate community-led strategy for public social behaviour concerns.

2.4 Lead a strategic approach to healthy and active lifestyles.

Outcome 7: Our communities are consulted around liveable places, aligned to lifestyle and environmental suitability.

7.1 Facilitate improvement to community housing awareness and information.

7.2 Advocate for the development of more environmentally and culturally appropriate housing designs

7.3 Advocate for the increase

Statutory Requirements:

Local Government Act 2009 Local Government Regulation 2012

Conclusion:

That the Strategic Advisory Reference Group committee notes the report.

Endorsed: Dawson Sailor Acting Head of Community Services

Alario Sabatino

Recommended: Ilario Sabatino Chief Operating Officer

David Bet

David Baldwin Acting Chief Executive Officer
