CONFIRMATION OF MINUTES – ORDINARY COUNCIL MEETING (22 SEPTEMBER 2026)

OFFICER RECOMMENDATION:

Council confirms the Minutes of the Ordinary Council Meeting held online on 22 September 2026.

EXECUTIVE SUMMARY:

Section 254F(4) of the *Local Government Regulations 2012* requires that at each local government meeting, the minutes of the previous meeting must be confirmed by the councillors or committee members present.

Interested Parties/Consultation:

- Chief Executive Officer & Executive Directors

Background / Previous Council Consideration:

The previous monthly Ordinary Council meeting was held online on 22 September 2026.

Section 254(6) of the *Local Government Regulation 2012* requires that a copy of the minutes of each local government meeting must be made publicly available by 5pm on the tenth day after the meeting is held. To meet these compliance requirements, a copy of the draft Minutes from the last Trustee Council meeting has been posted on the Council website.

The confirmed Minutes will then replace the draft copy currently on the Council website.

COMPLIANCE / CONSIDERATIONS:

Statutory:	Section 254F(4) of the *Local Government Regulation 2012*
Budgetary:	N/A
Policy:	N/A
Legal:	Legislative requirement.
Risk:	Council breach of its Statutory requirements above.
Links to Strategic Plans:	TSIRC Corporate Plan 2025-30 Focus Area 3– A Proactive & Responsible Council ➢ *3.1 Provide good governance & leadership*
Malungu Yangu Wakay | Mirkok | Ikya Malunhumun **(The Masig Statement)**	*In keeping with Article 4 of the United Nations Declaration on the Rights of Indigenous Peoples (in exercising our right to self-determination) we have the right to autonomy or self-governance on our own matters.*
Standing Committee Consultation:	N/A
Timelines:	Section 254F(7) of the *Local Government Regulation 2012* states that confirmed minutes of a local government meeting be publicly available as soon as practicable after the meeting at which the minutes are confirmed is held.

A. WELCOME & QUORUM CONFIRMATION | ACKNOWLEDGEMENTS | OPENING PRAYER | OBSERVANCES

At 10:45am, the Mayor welcomed Councillors, Executives and staff to the Ordinary Council meeting for the month of September 2026, noting that a quorum of members was present.

The Mayor made the following acknowledgements:

- Our Heavenly Father for His hand of favour, and His blessing over lives for each and every one of us, our families and throughout the region;
- Traditional Owners throughout Zenadth Kes and the lands we are on and participating from for today's meeting.

The Mayor also acknowledged and conveyed prayer to those members of the Torres Strait Islander community throughout the homelands and on the Australian mainland who may currently be experiencing Sorry Business.

B. LEAVE OF ABSENCE

#C24-28/2026-9/B

CR MANAS / CR WOSOMO

Council:

grants leave of absence for each of the following Councillors for the Ordinary Council Meeting dated as listed:

Division	Councillor	Date of Absence	Reason
Division 1 – Boigu	Cr. Dimas Toby	22 September 2026	Personal Commitments (family or personal matters)
Division 2 – Dauan	Cr Torenzo Elisala	22 September 2026	Personal Commitments (family or personal matters

CARRIED UNANIMOUSLY

C. CONFLICT OF INTEREST (COI) DECLARATIONS

The Mayor advised that no written COI notifications were provided by Councillors in relation to the Ordinary Meeting for September 2026.

DRAFT

The Mayor added that if throughout the course of the discussion that any Councillors become aware of a potential conflict of interest, could that Councillor immediately advise the meeting.

D. LIVE STREAM

The Mayor advised that this meeting is being LIVE STREAMED on Council's YouTube Channel.

1. MINUTES FROM PREVIOUS MEETING (19 August 2026)

#C24-28/2026-9/1

CR LEVI / CR PEARSON

Council confirms the Minutes of the Ordinary Council Meeting held online on 19 August 2026 noting there was an error in item:

AI. 9.6. ENGINEERING SERVICES: Contractual Matter – Tender Evaluation and Award of Contract TC24040 Boigu Aerodrome Reseal

The contract reference was incorrectly stated as TC24040 and should have been TC26040 however the description of the contract and the amount of the contract were correct.

CARRIED UNANIMOUSLY

1.1. ACTION ITEMS UPDATE

The Chief Executive Officer (**Mr James William**) spoke to this item.

The update was noted by Council.

Items noted as 'completed' during this update will be removed from future reports.

2. MAYORAL REPORTS

2.1. Mayoral Monthly Report

The Deputy Mayor Cr. Ranetta Wosomo spoke to this report on behalf of the Mayor.

The report was noted by Council.

DRAFT

3. CHIEF EXECUTIVE OFFICER REPORTS

3.1. CEO MONTHLY REPORT

The Chief Executive Officer (**Mr James William**) spoke to this report.

The report was noted by Council.

The Chief Executive Officer (**Mr James William**) introduced Agenda Item 3.2 below.

→ Ms Helen Lever (Director, Recruitment LGSG) joined the meeting online at 11:05am to speak to this item.

RESOLUTION TO CLOSE THE MEETING TO THE PUBLIC

#C24-28/2026-9/3.2

CR HANKIN / CR STEPHEN

Council resolves to close the meeting to the public pursuant to section 254J of the *Local Government Regulation 2012* to allow the Council to discuss the following item:

CHIEF EXECUTIVE OFFICER ADOPTION OF 2026/27 PERFORMANCE PLAN

CARRIED UNANIMOUSLY

RESOLUTION TO RETURN THE MEETING TO OPEN DISCUSSION

#C24-28/2026-9/3.2

CR HANKIN / CR PEARSON

Council resolves to move out of closed discussions pursuant to Section 254I of the *Local Government Regulation 2012.*

CARRIED UNANIMOUSLY

3.2. CHIEF EXECUTIVE OFFICER ADOPTION OF 2026/2027 PERFORMANCE PLAN

#C24-28/2026-9/3.2

CR ANIBA / CR HANKIN

That Council:

a. receive and note the Report and Attachment (the draft 2026/27 Chief Executive Officer Performance Plan); and
b. in line with the Chief Executive Officer's Contract dated 6 March 2026, a Performance Plan is to be drafted and endorsed for each year of the

DRAFT

Contract and that Plan is now attached and endorsed by SARG and is recommended to Council for formal adoption.

CARRIED UNANIMOUSLY

The Chair thanked the Chief Executive Officer for the report, noting it provides councillors with valuable insight into the operation of the CEO's office and organisational leadership. The Chair commended the Chief Executive Officer's commitment during the reporting period and supported the recommendation of the report.

Deputy Mayor went on to thank the Chair for the opportunity for SARG to be involved in reviewing the Chief Executive Officer's KPIs, describing it as a valuable exercise that helped members better understand the process. The Deputy Mayor also thanked the Chief Executive Officer for his openness with SARG and Council.

4. BUILDING SERVICES DIRECTORATE

CR HANKIN / CR PEARSON

Council endorses that the annual 2026-2027 Christmas/New Year closedown of operations commences from 12 noon on Thursday 24 December 2026 and concludes on Friday 1 January 2027 with the offices to reopen on Monday 4 January 2027.

CARRIED UNANIMOUSLY

6.4. Operational Plan 2026-2027

#C24-28/2026-9/6.4

CR MYE / CR LEVI

Council resolves to:

a. endorse the Operational Plan for the 2026-2027 financial year, in accordance with Section 174 of the Local Government Regulation 2012; and
b. delegate authority to the Chief Executive Officer in accordance with the Local Government Act 2009 to make any further minor administrative amendments to the Operational Plan as they arise.

CARRIED UNANIMOUSLY

6.5. Badu-Partial Lease Surrender

#C24-28/2026-9/6.5

DRAFT

CR WOSOMO / CR HANKIN

Council resolves to:

a. approve, the surrender of lease (instrument number 715599235) over the following lots of land;
   1. Lot 19 SP274784;
   2. Part of Lot 410 SP274784;
   3. Part Lot 411 SP274784;
   4. Part Lot 417 SP274784;
   5. Lot 126 SP274784; and
   6. Part Lot 408 SP274784; and
b. delegate to the Chief Executive Officer the power to: execute necessary documents, including a Form 8 surrender, once the applicable Queensland Government Land Title Registry conditions have been satisfied.

CARRIED UNANIMOUSLY

6.6. Zenadth Kes Planning Scheme-10-year Review and Amendment

#C24-28/2026-9/6.6

CR DORANTE / CR MANAS

Council resolves to:

a. undertake an amendment to the Zenadth Kes Planning Scheme in accordance with section18 of the Planning Act 2016;
b. delegate to the Chief Executive Officer the authority to give notice of the amendment, in accordance with section 18(2) of the Planning Act 2016, to the Chief Executive of the Department of State Development, Infrastructure and Planning; and
c. delegate to the Chief Executive Officer the authority to enter into any necessary contracts to procure the services of suitable consultants to progress the project to a satisfactory conclusion.

CARRIED UNANIMOUSLY

The Executive Director Corporate Services (**Ms Michelle Webster**) introduced Agenda Item 6.7 below.

→ A deputation from the Queensland Department of State Development, Infrastructure and Planning joined the meeting online at 1:05pm to speak to this item. The deputation comprised the following officers:

DRAFT

Ms Kate Randell (Director, Regional Planning)
Mr Francis Anog (Director, Infrastructure Planning)
Ms Sarah Golingi (Manager, Regional Planning)

6.7. Cape York and Torres Strait Regional Plan and Infrastructure Plan 2026

The presentation was noted by Council.

7. ENGINEERING SERVICES DIRECTORATE

Nil.

8. FINANCIAL SERVICES DIRECTORATE

8.1. Financial Dashboard Report (August 2026)

#C24-28/2026-9/8.1

CR HANKIN / CR WOSOMO

That Council receives and endorses the monthly financial statements for the period ended 31 August 2026, prepared in accordance with Section 204 of the Local Government Regulations 2012, and notes the financial performance, liquidity, capital delivery and reporting matters outlined in this report.

CARRIED UNANINMOUSLY

9. RESOLUTION TO CLOSE THE MEETING TO THE PUBLIC

#C24-28/2026-9/9

CR PEARSON / CR MANAS

Council resolves to close the meeting to the public pursuant to section 254J of the *Local Government Regulation 2012* to allow the Council to discuss the following items:

Under section s254J(e) - UPDATE ON CURRENT LEGAL MATTERS BEFORE COUNCIL - Verbal update provided by the Chief Executive Officer on the status of any current legal matters before Council.

Under section s254J(e) VOLUNTARY DEREGISTRATION OF TSIRC CO PTY LTD ACN 689 102 538 AND NAM ZAGETHAW YABUGUD PTY LTD ACN 689 304 587 - TSIRC Co Pty Ltd and Nam Zagethaw Yabugud Pty Ltd were established to support Council's Community Development Program bid, which was unsuccessful. Following a review of potential alternative uses, no practical strategic benefit has been identified. This report recommends deregistration of

both companies, consistent with Queensland Treasury's position and supported by Enterprise Management Group Pty Ltd.

Under section s254J(g) CAPITAL WORKS – INFORMATION REPORT - This information report provides a status update on some of Council's key capital projects managed by the Engineering Services Capital Works Team. Key projects include QRA DRFA roads projects, Marine Infrastructure Upgrades on Dauan and Saibai, seawall projects at Warraber and Masig and the Saibai Aerodrome Project.

Under section s254J(g) FUNDING MATTER – TSIRC.0062.2526G.REC DISASTER RECOVERY FUNDING (DRFA) - TSIRC.0062.2526G.REC has been assessed by the QRA in terms of eligibility under the joint Commonwealth and Queensland Government Disaster Recovery Funding Arrangements (DFRA) program and have been approved for;
Reconstruction of Essential Public Assets (REPA) Funding Initial Executed Funding Agreement Value: $5,046,831.27 Excl. GST.

Under s254J (g) - FUNDING MATTER – TSIRC.0063.2526G.REC DISASTER RECOVERY FUNDING (DRFA) - TSIRC.0063.2526G.REC has been assessed by the QRA in terms of eligibility under the joint Commonwealth and Queensland Government Disaster Recovery Funding Arrangements (DFRA) program and have been approved for;
Reconstruction of Essential Public Assets (REPA) Funding Initial Executed Funding Agreement Value: $1,052,225.71 Excl. GST.

Under s254J(b) - TORRES STRAIT ISLAND REGIONAL COUNCIL CERTIFIED AGREEMENT 2024 - The Torres Strait Island Regional Council Certified Agreement 2024 (CA) has a nominal expiry date of 7 September 2026. The last wage increase for employees covered by CA was at pay period ending 19 September 2025. In recognition of ongoing cost-of-living pressures for TSIRC employees, it is recommended that Council consider a voluntary wage increase in good faith in line with the adopted budget provision.

CARRIED UNANIMOUSLY

10. RESOLUTION TO RETURN THE MEETING TO OPEN DISCUSSION

#C24-28/2026-9/10

CR HANKIN / CR PEARSON

The Council resolves to move out of closed discussions pursuant to Section 254I of the Local Government Regulation 2012.

CARRIED UNANIMOUSLY

11. CONSIDERATION OF MATTERS DISCUSSED IN CLOSED SESSION

11.1. [Standing Agenda Item] Update on Current Legal Matters before Council (verbal update only)

Discussion only.

The verbal update provided by the Chief Executive Officer (Mr James William) was noted by Council.

The Chief Executive Officer (Mr James William) introduced Agenda Item 9.2 below.

→ Mr Ben Taylor from the McDonnells Law joined the meeting at 2:40pm to speak to this item.

11.2. CHIEF EXECUTIVE OFFICER: VOLUNTARY DEREGISTRATION OF TSIRC CO PTY LTD ACN 689 102 538 AND NAM ZAGETHAW YABUGUD PTY LTD ACN 689 304 587

#C24-28/2026-9/11.2

CR HANKIN / CR PEARSON

Council resolves:

a. To take all steps required in order to deregister the entities TSIRC Co Pty Ltd ACN 689 102538 and Nam Zagethaw Yabugud Pty Ltd ACN 689 304 587, including liaising with Enterprise Management Group Pty Ltd, Treasury and any other stakeholders and requests that the Chief Executive Officer take all such steps; and
b. Pursuant to Sections 236 and 257 of the *Local Government Act 2009* (Qld), to delegate to the Chief Executive Officer the power to sign any documents required of TSIRC in order to deregister the entities TSIRC Co Pty Ltd ACN 689 102 538 and Nam Zagethaw Yabugud PtyLtd ACN 689 304 587.

CARRIED UNANIMOUSLY

11.3. ENGINEERING SERVICES: CAPITAL WORKS – INFORMATION REPORT

#C24-28/2026-9/11.3

CR MANAS / CR LEVI

Council resolves to note this report.

DRAFT

CARRIED UNANIMOUSLY

11.4. ENGINEERING SERVICES: CAPITAL WORKS – FUNDING MATTER – TSIRC.0062.2526G.REC DISASTER RECOVERY FUNDING (DRFA)

#C24-28/2026-9/11.4

CR HANKIN / CR WOSOMO

Council resolves:

a. Enter into the proposed funding agreement for TSIRC.0062.2526G.REC for Disaster Recovery Funding Arrangement & Reconstruction of Essential Public Assets, administered by Queensland Reconstruction Authority for a grant sum of up to $5,046,831.27 (Excl. GST); and
b. Pursuant to Section 257 of the *Local Government Act 2009*, to delegate to the Chief Executive Officer:
    - power to make, amend or discharge the Funding Agreement; and
    - power to negotiate, finalise and execute any and all matters associated with or in relation to this project and funding agreement including without limitation any options and/or variations.

CARRIED UNANIMOUSLY

11.5. ENGINEERING SERVICES: CAPITAL WORKS - FUNDING MATTER – TSIRC.0063.2526G.REC DISASTER RECOVERY FUNDING (DRFA)

#C24-28/2026-9/11.5

CR PEARSON / CR HANKIN

Council resolves:

a. Enter into the proposed funding agreement for TSIRC.0063.2526G.REC for Disaster Recovery Funding Arrangement & Reconstruction of Essential Public Assets, administered by Queensland Reconstruction Authority for a grant sum of up to $1,052,225.71(Excl. GST); and
b. Pursuant to Section 257 of the *Local Government Act 2009*, to delegate to the Chief Executive Officer:
    - power to make, amend or discharge the Funding Agreement; and
    - power to negotiate, finalise and execute any and all matters associated with or in relation to this project and funding agreement including without limitation any options and/or variations.

CARRIED UNANIMOUSLY

DRAFT

11.6. CORPORATE SERVICES: TORRES STRAIT ISLAND REGIONAL COUNCIL CERTIFIED AGREEMENT 2024

#C24-28/2026-9/11.6

CR WOSOMO / CR MOSBY

Council resolves:

a. Approve a voluntary wage increase of 2.5% for all current employees covered by the Torres Strait Island Regional Council Certified Agreement 2024 including all current employees on Personal Classifications, effective from the commencement of the pay period ending 18 September 2026. Employees who are no longer employed by TSIRC have no entitlement to the increased wage rates;

b. Note that, during the term of the Torres Strait Island Regional Council Certified Agreement 2024, Council applied equivalent annual percentage wage increases to employees covered by the Certified Agreement and employees on Personal Classifications, maintaining consistency in the treatment of these employee groups; and

c. Pursuant to Section 257 of the *Local Government Act 2009*, to delegate to the Chief Executive Officer power to implement such wage increase including payment of any necessary backpay.

CARRIED UNANIMOUSLY

12. ITEMS ARISING

a. Benevolent Funeral Funds

Cr Aggie Hankin raised the matter of benevolent funeral funds and funeral expense support, including the increasing pressure being placed on Council's Community Grant program to assist families with funeral-related expenses and the repatriation of deceased community members.

Action Required:

The Chief Executive Officer to:

1. Investigate benevolent funeral funds, funeral plans, insurance products and other relevant services available to community members.
2. Identify reputable providers and obtain information regarding eligibility, membership requirements, costs, benefits, waiting

DRAFT

periods, exclusions and coverage, including options available to Centrelink recipients and people on low or fixed incomes.
3. Engage with relevant providers regarding information sessions or community presentations.
4. Develop a community awareness and membership drive in consultation with Council.
5. Consider how Council's Administration Offices may appropriately assist community members to access information and connect with providers, while ensuring that Council does not provide financial advice or endorse a particular provider.
6. Develop appropriate community information materials, including brochures, fact sheets, posters and social media content.
7. Report back to Council with the findings and recommended community engagement and awareness approach.

b. <u>Marine Infrastructure Advocacy Campaign</u>

The Chair raised the need for Council to develop a strategic Marine Infrastructure Advocacy Campaign, recognising that marine infrastructure is essential infrastructure for our island communities.

Action Required:

The Chief Executive Officer to develop an evidence-based advocacy campaign that:

1. Clearly communicates the critical role of marine infrastructure across the region's 15 island communities.
2. Documents the age and condition of existing marine infrastructure.
3. Identifies safety, accessibility, operational and Disability Discrimination Act compliance issues.
4. Documents the consequences of infrastructure failure or continued deterioration.
5. Identifies essential services dependent upon marine access.
6. Demonstrates the economic and social impacts of unreliable or inadequate marine infrastructure.
7. Identifies short, medium and long-term infrastructure requirements.
8. Undertakes visual documentation, including photographs, video and, where appropriate, drone imagery.
9. Develops a comparative infrastructure narrative demonstrating the unique cost and service-delivery challenges of maintaining infrastructure across 15 separate island communities.
10. Maps Commonwealth and Queensland Government responsibilities and relevant funding programs.
11. Identifies relevant policy frameworks through which investment can be advocated.
12. Develops a coordinated government advocacy strategy.

13. Advocates for a dedicated, rolling Marine Infrastructure Program.
14. Investigates alternative Commonwealth and Queensland funding and investment opportunities.
15. Develops a Marine Infrastructure Investment Prospectus or campaign document.
16. Explores regional collaboration with other Torres Strait and Northern Peninsula Area councils, Traditional Owner organisations, community organisations, industry and government stakeholders.
17. Establishes measurable advocacy objectives, including priority projects, estimated investment requirements, responsible levels of government and proposed timeframes.
18. Reports back to Council with the proposed campaign, evidence base, stakeholder map, priority projects, funding opportunities and advocacy strategy.

c. Regional Infrastructure Investment Report

Cr Seriako Dorante raised the matter of a Regional Infrastructure Investment Report. Cr Seriako Dorante asked how the decision to support different projects in the communities was assessed and decided. – no action item

d. Mer Island Essential Infrastructure Action Plan and Whole-of-Government Advocacy

Cr Bob Kaigey raised significant concerns regarding the condition, vulnerability and adequacy of essential community infrastructure on Mer Island.

Action Required:

The Chief Executive Officer to work directly with Cr Bob Kaigey and the Mer community to develop a coordinated Mer Island Essential Infrastructure Action Plan and whole-of-government advocacy strategy.

13. INFORMATION REPORTS

BUILDING SERVICES – Building Services Report (August 2026)
COMMUNITY SERVICES – Community Services Report (August 2026)
CORPORATE SERVICES – Corporate Services Report (August 2026)
ENGINEERING SERVICES – Engineering Operations (August 2026)
ENGINEERING SERVICES – Information Report – Water & Wastewater (August 2026)

Council received and noted the information reports.

Any enquiries by Councillors in relation to the information reports can be raised directly by Councillors with the respective Directorate Executive Director, or the Chief Executive Officer.

14. **NEXT MEETING** – 28 October 2026 (VC)

15. CLOSE OF MEETING

Cr Francis Pearson delivered the closing prayer.

The Chair thanked Councillors and Officers for their participation and constructive engagement throughout the meeting and formally closed the Council meeting at 4.52pm.

July 2024 Mtg | AI 17(a) | Funding for Dialysis Unit on Badu		CEO / Executive Director Community	Ongoing. Update (Aug 25 OM): Dumbarra Consultancy Services managing this project. 23/7/25 made

Agenda 2026 Item	Expected Completion Date	Action Area	Current Status
Action Required: Executive Director Community Services to provide background information in relation to Commonwealth Government funding for the unit. *Mayor strongly requests that consideration be given to financial costs to Council for this project (and other projects across the TSIRC footprint) to be implemented on-ground (i.e. water and infrastructure, etc).* *August 2025 Meeting: Mayor requested that correspondence be sent to various politicians – Mr David Kempton MP (Member for Cook), Senator the Hon. Nita Green (Federal Assistant Minister for Northern Australia) and Senator the Hon. Malarndirri McCarthy (Minister for Indigenous Australians) outlining the lack of consultation around the project itself, including the impacts on Council's capacity to provide ongoing support with operational and infrastructure requirements the project in our current financial environment.* *November 2025 Meeting: CEO to provide 3-4 or more examples where State/Federal Government departments and agencies have failed to consult with TSIRC on projects which require Council resources (water, sewerage, infrastructure support, etc.) and these examples will be used to lobby the State/Federal Governments on the importance of working with TSIRC as these new builds/projects do impact on Council's currently stretched capacity to maintain and provide basic local government services to the community.*		Services / Cr Wosomo *Matter raised directly with Minister for Health by Mayor, Deputy Mayor and CEO during a meeting on 18 Feb 2025.*	initial enquiry with TSIRC seeking guidance on land tenure processes. Communication from Dumbarra outlines that stakeholder engagement, legal protocols and legal requirements will be undertaken. No timeframe, however outlines that project is already behind schedule. Update (Nov 25 OM): Cr Wosomo has tried outreach several times to the Badu traditional custodians on this matter with no response to date seeking support in relation to an alternative site. Update (Feb 26 OM): Dumbarra provided a recent update on the project, advising they have engaged a surveyor to assess whether the site is technically and practically feasible, enabling the PBC (as Trustee) and project partners to make an informed decision before additional sites are considered. They will engage a town planning consultant and progress consultation with Queensland Health once project scope, site feasibility and service model are defined. Council has advised that a pre-lodgment meeting should be held to discuss planning requirements for existing or new sites. Update 19/8/2026: there has been no further contact from Dumbarra

Torres Strait Island Regional Council

Mayor's Report – October 2026
Council Meeting: Wednesday, 28 October 2026
Reporting Period: *23 September–28 October 2026*

This report summaries the Mayor's official activities, meetings, engagements and strategic priorities during the reporting period for the information of Councillors. It also captures key strategic engagements undertaken by Councillors, with a verbal update to be provided to further elaborate on these matters.

QPS Police First Nations Mayors Working Group Meeting

Date: Thursday, 24 September 2026
Time: 10.00 am–11.00 am
Location: Microsoft Teams

The Mayor attended the QPS Police First Nations Mayors Working Group meeting with mayors, community representatives and Queensland Police Service First Nations Division representatives. The meeting reviewed outstanding actions and discussed recent updates to the Community Safety Charter and planning for the Mayors' Summit.

Key follow-up matters included circulating previous meeting actions and status updates, seeking final feedback on the Community Safety Charter and summit agenda, inviting councils to submit questions for the Department of Justice session, and progressing the distribution of summit information packs and meeting documents.

CEO Catch-up – James William

Date: Monday, 28 September 2026
Time: 3.30 pm–4.00 pm
Location: Microsoft Teams
Attendee: Mayor Phillemon Mosby, James William, Chief Executive Officer

TCHHS Aboriginal and Torres Strait Islander Cultural Council Meeting

Date: Tuesday, 29 September 2026
Time: 9.00 am–4.00 pm
Location: Pullman Cairns International
Council representative: Cr Keith Fell (verbal update)

Regional Queensland Dinner at Government House

Date: Thursday, 1 October 2026
Time: 6.45 pm arrival; dinner 7.00 pm–9.30 pm
Location: Government House, 168 Fernberg Road, Paddington, Brisbane
Council representatives: Mayor Phillemon Mosby and Cr Rocky Stephen

Mayor Mosby and Cr Rocky Stephen travelled to Brisbane to attend a formal dinner hosted by Her Excellency the Honourable Dr Jeannette Young AC PSM, Governor of Queensland, and Professor Graeme Nimmo RFD in support of Regional Queensland. They attended as guests, with no formal speaking role, and overnight accommodation was provided at Government House.

Mayor and Deputy Mayor – Budget Review Presentation

Date: Friday, 9 October 2026
Time: 10.00 am–11.30 am
Location: Microsoft Teams
Attendees: Mayor Phillemon Mosby, Deputy Mayor Ranetta Wosomo, Chief Executive Officer James William and Executive Director Financial Services Hollie Faithfull

Torres Strait Island Bushfire Risk Management Plan Briefing

Date: Friday, 9 October 2026
Time: 3.00 pm–3.30 pm
Location: Microsoft Teams
Attendees: Mayor Phillemon Mosby, Amanda Pearce, A/Head of Engineering and Sainty Joe, Local Community Disaster Coordinator

October 2026 Council Workshop

Dates: Monday, 12 October–Friday, 16 October 2026
Location: Novotel Oasis Resort Cairns

The October Council Workshop covered a broad range of governance, financial, operational and strategic priorities. Key sessions included the budget review, procurement strategy, service mapping, organisational structure, advocacy, the staff culture survey, first-quarter Operational Plan reporting and the Annual Report review. Councillors also received updates from AFMA, QPS, TCHHS, TSRA and TCICA, and considered climate initiatives, native title future acts, entry to trust areas, mandatory local government training, standing orders, economic development, capital works, Zenadth Kes planning and the 2027 Council meeting and workshop schedule. The workshop concluded with agreed follow-up actions to progress Council's priorities.

Accord Meeting Pre-brief

Date: Sunday, 18 October 2026
Time: 9.00 am–9.20 am

Council representatives: Mayor Phillemon Mosby
Location: Rooms M2 and M3, Cairns Convention Centre

2026 LGAQ Annual Conference and Indigenous Leaders Forum

Dates: Monday, 19 October–Wednesday, 21 October 2026

Council representatives: Full Council
Location: Cairns

The 130th LGAQ Annual Conference brought councils from across Queensland together to consider key local government issues, leadership and regional priorities. The program included the Indigenous Leaders Forum, leadership panel discussions involving first-term and experienced mayors, keynote presentations including former ABC elections analyst Antony Green, and opportunities to network and share ideas with local government representatives. The conference was held in Cairns during the city's 150th anniversary year and the LGAQ's 130th anniversary.

QPS First Nations Mayors Summit

Dates: Thursday, 22 October–Friday, 23 October 2026
Location: Pullman Cairns International, Cairns

Council representatives: Mayor Phillemon Mosby, Cr Ioana Manas
Theme: Local Leadership, Shared Priorities and Accountable Action for Safer Communities

The summit brought First Nations mayors and community leaders together with the Queensland Police Service and government representatives to strengthen how they work together under the Community Safety Charter. The Charter focuses on respectful and culturally informed relationships, shared decision-making on local priorities, locally led approaches to reducing harm, and consistent, open and accountable communication.

Key sessions included mayoral presentations on community priorities and lived experience, Community Justice Groups and diversion, a Community Safety Charter workshop, disaster management, road safety and e-mobility, and opportunities for councils to test whether the Charter reflects local needs. The summit concluded with feedback, agreed actions, accountabilities and next steps to support safer communities.

Meeting with Members of Parliament

Date: Tuesday, 27 October 2026
Time: 3.30 pm–4.00 pm
Location: Microsoft Teams
Council representatives: Mayor Phillemon Mosby, Chief Executive Officer James William and Cr Aggie Hankin
Members of Parliament: Hon Steven Miles MP, Hon Shannon Fentiman MP and Hon Leeanne Enoch MP

Closing Remarks

The reporting period reflected Council's ongoing commitment to strategic leadership, good governance, regional advocacy and practical partnerships across government, community and regional organisations. Key priorities included effective governance, CEO performance accountability, food security, freight resilience, essential services advocacy, tourism development and ensuring the Torres Strait continues to have a strong voice in regional, state and national forums.

CHIEF EXECUTIVE OFFICER MONTHLY REPORT (SEPTEMBER 2026)

OFFICER RECOMMENDATION

Council notes the Chief Executive Officer Report for September 2026

EXECUTIVE SUMMARY

During September and October 2026, Council continued to make progress across key operational and strategic priorities. Major achievements included advancing critical capital and disaster recovery works across the region, completing Stage 1 of the Boigu Aerodrome Apron Upgrade and the Warraber seawall, installing temporary desalination units on St Paul and Dauan, and progressing further water security works. Building Services prepared for the TechnologyOne Enterprise Asset Management and Field App system go-live, while Community Services achieved a 90 per cent regional rental collection rate, progressed delivery of the Climate Change Forum and secured continuation of the illegal dumping partnership to December 2029.

Key risks requiring management attention include outstanding complaints, delayed environmental health planning, workforce compliance and competency gaps, low completion of cyber security training. Continued executive oversight and clearer accountability will be important to ensure planned outputs, risk controls and community outcomes remain on track.

CEO ENGAGEMENTS

Date	Organization
29/09/2026	Sea Swift Meeting + DWATSIPM DNRMMRRD Land Tenure Reform & DOGIT Transfer Matters
28/09/2026	TSRA Meeting – Charlie Kaddy
9/10/2026	Budget Review Meeting + Audit Meeting
12-16/10/2026	Council Workshop

19-21/10/2026	LGAQ Conference
22-23/10/2026	Climate Forum

BUILDING SERVICES

- Fuel & Fleet transitioning across to BSU 30 0ctober with recruitment underway for Head of Fuel & Fleet.
- Technology One – Enterprise Asset Management and Field App system enhancement on track to "Go-Live" Monday 26th October 2026
    - Configuration – Completed
    - Testing – Completed
    - End-User Training - Completed
    - Data Migration – In Progress
    - Go-Live (26/10/26) – On track
- Furniture and vehicle auction complete – Item pickup on Friday 23/10/26.

COMMUNITY SERVICES

1.Highlights from the Month *(Major accomplishments or milestones*):

- Consolidated rental collection rate reach regional average of 90%. Ongoing work with focus on current rental payments with the Housing Team.
- Climate Change Forum – expedite planning and coordination to deliver Forum 22 Oct including internal reallocation of resources and weekly meets with DCCEEW
- Successful continuation of Illegal Dumping partnership with Dept of Environment, Tourism, Science and Innovation (DETSI) to 31 December 2029. Work with Environmental Health team to achieve strategic objectives of Council through the program on management of illegal dumping, enforcement activities and target problematic or complex illegal dumping incidents.
- Attendance at PreCOP31 Fiji with nominated elected Councillors.

2.Key Areas of Focus for the Month Ahead *(strategic priorities):*

- Deliver Climate Change Forum 22 October and, strategize for COP31 and future climate forums / alliances
- Oversee delivery of 3 digital hubs to St Paul, Mer and Saibai
- Housing R&M Project in partnership with DPHW - raise awareness with Housing Team and roll out comms to Tenants

3. Risks & Mitigation Plans *(anticipated challenges and how they will be addressed):*

- Delay of Environmental Health Animal Management Plan. Constant stagnation due to operational reasons – staff absence to undertake procurement process. TPHU Qld Health is assessing Councils submission to repurpose funds
- Incomplete work for Community Services. Unplanned priorities with Community Services delay progress of planned works and outputs. Team to revisit plans prior to end of year.

4. Summary & Outlook *(Summary of overall progress):*

- Need to revisit and refocus on priorities and planned outputs for the department.

CORPORATE SERVICES

- There has been a further RTI request from Maurice Blackburn regarding Housing maintenance. This has been processed.
- There are currently 3 insurance claims being processed. Two are motor vehicle accidents, and other is damage to sewer pond infrastructure on St Pauls.
- Regarding Land tenure, the land record database updates have been completed and 8 Conditional Agreement to Lease (CATL) templates for Hammond Island are being reviewed.
- There are 38 active complaint summaries that are outstanding. The number is reducing slowly. 6 have been closed. (CEO note – Community Services – some active work needs to be progressed to start getting complaints resolved)
- CEO complaints

P&W – Compliance Risks

- 17 staff members have outstanding requests to complete Criminal History checks
- Childcare staff require refresher training in cardiopulmonary resuscitation and a couple of staff require training in all required competencies to perform their duties as a childcare worker. Assistance being provided to relevant manager to ensure staff maintain their competency.

IT Security

Many staff are still not starting or completing the cyber security training. Some managers of staff who are not adhering to the training and who are being notified it is not being done, do not follow up with their staff to make sure the training is completed. There seems little value in continuing with the platform, educating staff about the necessity of understanding cyber security awareness unless there is some accountability in place for those not completing the training, or those failing to oversee their staff completing the training. Risk – cyber-attack may be imminent.

ENGINEERING SERVICES

Capital works update September/October:

- Boigu Aerodrome Apron Upgrade Stage 1 has been completed, and the contractor is progressing with stage 2,
- Boigu Esplanade Road Upgrade water main realignment has been completed, and the road has been excavated and prepared for the concrete road to be constructed
- Warraber seawall has been given practical completion and is in the processed of final claims and close out,
- Central Island DRFA Works, all materials have been delivered to Iama, Masig, Poruma, Mer is still to be delivered. Warraber road works have been completed. Masig is forecast to start in the coming weeks.
- Warraber wastewater pumpstation project progressing well after initial groundwater challenges.
- Top Western DRFA works roads will start this weekend at Boigu, then Saibai and Dauan (completion before Christmas)
- Western DRFA Works (Materials have been delivered to Mabuiag) St Pauls and Kubin

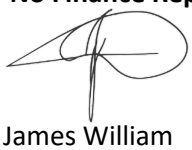

materials still to be delivered.

Operational works update September/October:

- Temporary desalination units have been installed on St Paul and Dauan and are currently operational.
- The Kubin desalination unit setup is currently underway, with tech officers on the ground carrying out the necessary works.
- Planning is underway for the desalination pipeline installation on Saibai.

FINANCIAL SERVICES

No Finance Report.

ORDINARY MEETING
28 OCTOBER 2026

Agenda Item
3.2

CHIEF EXECUTIVE OFFICER
AUTHOR: *Executive Director Corporate Services*

TSIRC MEETING SCHEDULE FOR 2027

OFFICER RECOMMENDATION:

In accordance with Section 257(1) of the *Local Government Regulations 2012*, Council:

1. endorses the following schedule of Trustee Council meetings, Ordinary Council meetings and Council Workshops for 2027:
    - Wednesday, 27 January 2027 (VC)
    - Wednesday, 24 February 2027 (VC)
    - Tuesday & Wednesday, 23-24 March 2027 (f2f – venue TBA)
    - Wednesday, 21 April 2027 (VC)
    - Monday to Friday, 10-14 May 2027 (Council Workshop to be held on [Division])
    - Wednesday, 26 May 2027 (VC)
    - Wednesday, 23 June 2027 (VC)
    - Tuesday & Wednesday, 20-21 July 2027 (f2f – venue TBA)
    - Wednesday, 18 August 2027 (VC)
    - Wednesday, 22 September 2027 (VC)
    - Tuesday & Wednesday, 19-20 October 2027 (f2f – venue TBA)
    - Monday to Friday, 8-12 November 2027 (Council Workshop to be held in Cairns)
    - Wednesday, 24 November 2027 (VC)
    - Wednesday, 15 December 2027 (VC); and
2. in accordance with Section 254B of the *Local Government Regulations 2012*, Council agrees that the schedule of Trustee and Ordinary Council Meetings for 2027 be published in the *Torres News* and on the Council website.

EXECUTIVE SUMMARY:

This report proposes a schedule of meetings for Council (including Trustee Council meetings and annual May and November Council Workshops) for 2027. Council is requested to endorse venues for the face-to-face meetings on Division.

Section 257(1) of the *Local Government Regulation 2012* requires Council to meet at least once in each month.

Section 254B of the *Local Government Regulation 2012* requires that Council and Standing Committee meetings be published at least once a year and again when there are any changes

made to the meeting dates. The annual schedule of meetings is normally advertised initially in the *Torres News* and on Council's website, with subsequent changes thereafter updated on Council's website.

INTERESTED PARTIES/CONSULTATION:

- Councillors workshop held October 2026
- Executive Director Financial Services
- GBK
- TSRA

BACKGROUND:

Virtual monthly Trustee and Ordinary Council meetings are held for 1-day only, except for face-to-face meetings on Island which are held over a 2-day period.

Where possible for face-to-face meetings, all formal business should be dealt with on the first day and the second day be reserved for community and information sessions (i.e. deputations and Mayoral and advisory committee information sessions) with all Councillors required to be present.

A list of TSIRC Divisions which have hosted previous Council meetings since 2017 is attached to this report. TSIRC Divisions yet to host a Council meeting since 2017 are:

- Division 6 – Kubin
- Division 13 - Ugar

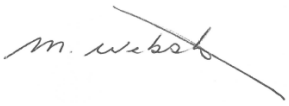

COMPLIANCE / CONSIDERATIONS:

Statutory:	• Sections 254B and 257(1) of the *Local Government Regulation 2012*
Budgetary:	• Meeting schedule noted by Executive Director Financial Services • *Torres News* Advertisement – estimate $500
Policy:	N/A
Legal:	*Local Government Regulation 2012*
Risk:	Council breach of the Statutory requirements outlined above.

LATE REPORT

CHANGE OF VENUE LOCATION – NOVEMBER 2026 TRUSTEE & ORDINARY COUNCIL MEETINGS

OFFICER RECOMMENDATION:

Council resolves to conduct the November 2026 Trustee & Ordinary Council Meetings as a virtual meeting on Teams on Wednesday 18 November 2026.

EXECUTIVE SUMMARY:

The September Trustee & Ordinary Council Meetings are currently scheduled to be held from Tuesday 17th November to Wednesday 18th November Hammond Island.

It is proposed that the Trustee & Ordinary Council Meetings be moved to a virtual meeting to take place on Teams on Wednesday 18th November 2026.

INTERESTED PARTIES/CONSULTATION:

- Mayor
- Deputy Mayor
- Cr Seriko Dorante - Divisional Councillor
- Chief Executive Officer
- Executive Staff

BACKGROUND:

The schedule for 2026 Trustee & Ordinary Council Meetings was endorsed in November 2025.

In the process of preparing for the November meeting council staff became aware of accommodation issues on both Horn and Thursday Island due to ABSTUDY bookings for the end of the school year. Hammond Island does not have enough accommodation to host both the elected and operational staff.

It is proposed that the Trustee & Ordinary Council Meetings take place as a virtual meeting on Teams on Wednesday 18th November 2026

COMPLIANCE/CONSIDERATIONS:

Statutory:	• *Local Government Act 2009* • *Local Government Regulation 2012 (Section 254C)*
Budgetary:	N/A
Policy:	N/A
Legal:	Requirement under the *Local Government Regulation 2012*

ORDINARY MEETING
28 OCTOBER 2026

Agenda Item
5.1

DIRECTORATE: Community Services
***AUTHOR**: Executive Director Community Services*

Council Representation at PreCOP 31 FIJI

OFFICER RECOMMENDATION:

Council resolves to:

1. **Approve in retrospect attendance of Councillor Ranetta Wosomo and Cr Kabay Tamu as Councils representatives at the PreCOP31 event in Fiji 5-8 October 2026**
2. **Council notes that the cost of flights and accommodation for both councilors was covered by the Department of Climate change, Energy, the Environment and Water**

EXECUTIVE SUMMARY:

This agenda report is tabled before Council to adopt a resolution and formally recognise its support for representation at PreCOP31 Fiji.

Interested Parties/Consultation:

- Mayor Phillemon Mosby
- Deputy Mayor Ranetta Wosomo
- Chief Executive Officer James William
- Councillor Kabay Tamu
- Mirabou Energy
- Department of Climate Change, Energy, the Environment and Water

Background / Previous Council Consideration:

Pre-COP31 was held in Nadi Fiji 5 – 8 October 2026 and bought together governments, civil society and stakeholders from across the region ahead of COP31. The program included both the formal Pre-COP process and a dedicated program of events and engagement activities.

This year's Pre-COP prioritised four policy pillars that guided the COP31 Pacific Partnership:

1. keeping 1.5C target within reach
2. enhancing access to Climate finance
3. elevating the ocean-climate nexus,
4. amplifying Pacific voices and leadership.

Council representatives participated in the Stakeholder programs which included keynote speeches, panel discussions, workshops, roundtables and networking opportunities.
It provided an opportunity to:

- Engage directly with others leading clean energy and climate initiatives ahead of COP31
- elevate Torres Strait priorities alongside Pacific partners
- build relationships,
- better understand international climate processes and emerging priorities.

DIRECTORATE: Community Services
***AUTHOR**: Executive Director Community Services*

The programs placed a strong emphasis on health of people and environment.

Councils representatives enrolled in sessions for the stakeholder programs which covered Climate Finance; Science behind sea-level rise; Impacts of climate to local government and essential services and, knowledge sharing with indigenous peoples and communities.

Council acknowledges the support and sponsorship provided by DCCEEW, recognising the important contribution of Torres Strait Islander perspectives and leadership to regional climate discussions as well as to inform the Climate Forum in late October and any attendance at COP31. DCCEEW covered travel and accommodation for four representatives, with the exception of Travel Allowance; Visa costs (nil) and relevant insurance (where applicable).

Council was represented with by the following:

- Deputy Mayor Cr. Ranetta Wosomo, Badu Division
- Cr. Kabay Tamu, Warraber Division (Chair of Environment and Climate Change)
- Dawson Sailor, Executive Director Community Services
- James Reynolds, Strategic Partner, Mirabou

Learnings from PreCOP31 will be shared with Council and feedback into the Climate Forum scheduled for 22nd October 2026 in Cairns.

COMPLIANCE / CONSIDERATIONS:

Statutory:	• *Local Government Act 2009* • *Local Government Regulation 2012* • *Torres Strait Treaty 1978*
Budgetary:	This is not a budgeted item. DCCEEW covered travel and accommodation. TSIRC to cover travel allowances for attendees.
Policy:	• *TSIRC Employee Travel Policy & Employee Travel Procedure* • *Council Remuneration Reimbursement, and Facilities Provision Policy*
Legal:	• To be confirmed
Risk:	• Personal risks – as part of the Australian delegation, Council representatives will adhere to directives by Australian Federal Govt • Financial Risks – as a non-budgeted item, budget will be managed by responsible cost centre managers by ensuring best value of

COMMUNITY GRANTS PROGRAM ALLOCATION (SEPTEMBER 2026)

OFFICER RECOMMENDATION:

In accordance with Sections 194 and 195 of the *Local Government Regulation 2012* and Council's Community Grants Policy, Council resolves:

1. **to allocate Community Grants Program funding to the following applicant:**
    - **CG2027-027 – MAGUN WARRIORS, IAMA for $4,500.00; and**

2. **to note the information in this report.**

EXECUTIVE SUMMARY:

One (1) application was received before the monthly deadline of 5pm, 25/09/2026 which require resolution at this monthly Council meeting.

Additional details in relation to the Community Grants Program are provided in the following attachments to this report:

Attachment 1 - Details on Community Grant applications requiring Council resolution at this monthly meeting.

Attachment 2 - Overview of the 2026-2027 Fund Balances as of 12 October 2026.

Attachment 3 - Details on Ineligible Grant Applications received During the Reporting Period.

Attachment 4 - Details on Grant Applications Processed During the Reporting Period.

Attachment 5 - Details on Grant Applications that required Divisional Contribution During the Reporting Period.

Attachment 6 - Acquittals from Previous Applications.

INTERESTED PARTIES/CONSULTATION:

- Councillors
- Chief Executive Officer
- Executive Directors
- Divisional Managers
- Community Grants Officer

BACKGROUND:

Community Grants applications must be submitted on the last Friday of the month to be tabled at the next Ordinary Council meeting.

Community Grants applications are received directly to Community Grants or via Division staff or Council. Applicants are assessed against eligibility criteria as per the *Community Grants Policy*.

COMPLIANCE / CONSIDERATIONS:

FUNDING ACQUISITION REPORT (SEPTEMBER 2026)

OFFICER RECOMMENDATION

Council receives and notes this report and its content.

EXECUTIVE SUMMARY

The Funding Acquisition Report provides an update and summary of Council's current grant applications and acquisition outcomes for the September 2026 reporting period.

The included tables highlight all current funding applications, including pending, successful and unsuccessful.

Applications are separated into Operational Funding and Capital Project Funding for the financial year 2026-2027.

The report also outlines Council's continued effort to attract additional funding from both government and non-government sources.

September 2026

- 2 x funding submissions were successful for the value of $5,057,491.27
  - QRA TSIRC 2026 – Saibai Culvert $5,046,831.27
  - QRA Get Ready QLD Program 2026-27 $10,660.00

- 1 x funding application was submitted for the value of $168,823.00
  - DRFA Badu Generator Ancillary Works $168,823.00

(Note: There may be a discrepancy between the figures listed on this report against actuals in financial reports. This is largely due to the carry-over of project underspends from operational funding, as well as capital projects that receive progress payments spanning over multiple financial years combined with revenue recognition requirements per Accounting Standards.)

Operational Project Funding 2026-2027

Funding Stream	Total	Project Details	Date of Application	Date of Outcome	Outcome	Comment	Division
Queensland Reconstruction Authority (QRA)	$10,660.00	Get Ready Queensland Program 2026-2027	5-Jun-26	30-Sep-26	Successful		TS Region

Annual Local Government Funding 2026-2027

The table below highlights the Annual Local Government Funding that Council was allocated for 2026-2027. No application is required for this type of funding. Council officers note that the below figures will not reconcile to budget documents or financial statements as per AASB 1058, Council is required to recognise revenue on receipt of funds.

ANNUAL LOCAL GOVERNMENT FUNDING				
Funding Stream	**26/27 Total Allocation**	**Project Details**	**Date of Application**	**Comments**
QLD Police - SES Local Government Subsidy	*$ 26,521.00*	*This payment recognises the costs incurred by Local government in providing support to their SES Groups and Units*	*Annual Allocation*	*100% paid upfront for current financial year 26/27*
Financial Assistance – Indigenous Councils Funding Program	*$ 17,049,928.00*	*The ICFP replaces the SGFA & RRP and represents a significant investment in Queensland's Indigenous communities.*	*Annual Allocation*	*100% paid upfront for current financial year 26/27. Funding allocation may vary.*
Financial Assistance – General Purpose	*$ 17,761,304.00*	*Financial Assistance General Purpose is an annual allocation-based program for local government bodies based on the principal of jorizontal fiscal equalisation, enabling them to function by reasonable effort to an average standard.*	*Annual Allocation*	*50% paid upfront for current financial year 26/27. Balance to be paid in equal proportions every quarter. Funding allocation may vary.*
Financial Assistance – Local Roads	*$ 191,355.00*	*Financial Assistance Local Roads is an annual allocation-based program to assist local governments with roads expenditure and to preserve its roads assets*	*Annual Allocation*	*50% paid upfront for current financial year 26/27. Balance to be paid in equal proportions every quarter. Funding allocation may vary.*
Total Allocation for 26/27	$ 35,029,108.00			

INTERESTED PARTIES/CONSULTATION

Executive Leadership Team and relevant Directorate staff and managers.

BACKGROUND

New funding opportunities are channelled to both the Executive Leadership Team and the Administration and Communication team for thorough evaluation. Should a funding opportunity be deemed viable, the application process is managed either internally within the relevant directorate or in collaboration with Peak Services. Once secured, successful funding contracts are overseen by the Administration and Communications team internally.

EXTERNAL FUNDING UPDATE

QRA - TSIRC 2026 – Saibai Culvert $5,046,831.27
This is pending Council resolution in October Council ordinary meeting. This funding will contribute into culvert repairs.

QRA Get Ready QLD Program 2026-2027 $10,660.00

An annual allocation to assist with inclement weather readiness.

OPERATIONAL PLAN 2026-2027 – QUARTER 1 PROGRESS REPORT

OFFICER RECOMMENDATION:

Council receives and notes the progress report on the implementation of the 2026-2027 Operational Plan for the period July to September 2026 (Quarter 1).

EXECUTIVE SUMMARY:

Under legislation, Council is required to report on the progress of the Operational Plan on a regular basis.

The First quarter (Q1) report reflects the progress in implementing the 2026-2027 Operational Plan, a framework designed to enhance the well-being and quality of life across the 15 communities.

Completed/Ongoing	Underway/On track	On hold/Not started

- Managers

BACKGROUND:

Pursuant to both the Local Government Act 2009, and the Local Government Regulation 2012, Council has prepared the annual Operational Plan in alignment with the Corporate Plan 2025-2030.

The Operational Plan 2026-2027 was adopted by Council on 22 September 2026. Under legislation, Council is required to report on the progress of the Operational Plan on a regular basis.

The annual Operational Plan outlines how Council plans to progress the implementation of the 5-year Corporate Plan 2025–2030 during the financial year 2026-2027. Performance and progress against the objectives set forth in the Operational Plan is reported quarterly by the relevant Directorates of Council. The achievements and progress for Q1 2026-2027 are contained in Attachment 1. Graphical display of Q1 2026-2027 achievements are displayed in Attachment 2.

COMPLIANCE / CONSIDERATIONS:

Statutory:	*Local Government Act 2009* *Local Government Regulation 2012*
Budgetary:	The Operational Plan has been developed in conjunction with the development of the annual budget to ensure activities recorded in the plan have been appropriately funded where required.
Policy:	N/A
Legal:	It is a statutory requirement that Council reports quarterly on its annual Operational Plan.
Risk:	Deliverability may be impacted by funding timing and staff resourcing constraints.
Links to Strategic Plans:	Aligns with the Corporate Plan 2025-2030.
***Malungu Yangu Wakay* (The Masig Statement):**	Aligns with the social and cultural aspirations of ***Malungu Yangu Wakay, Mirkok, Ikya Malunhuman*** statement.
Standing Committee Consultation:	N/A
Timelines:	Quarterly report

TSIRC OPERATIONAL PLAN – QUARTERLY PROGRESS REPORT

2026 -2027 | Q1 Progress against Operational Plan Objectives

Traffic Light	Status	Meaning
🟢	Completed/On-Going	Objective is on track or has been completed.
🟡	Underway/On-Track	Work has commenced and requires further action.
🔴	Not Started/On-Hold	Objective has not been achieved or has not commenced.

Annual Roll-Over

Yes = recurring annual objective that may carry forward.

No = objective is not intended as an annual roll-over.

No.	Department	Objective	Success Measure	Status	Traffic Light	2025-2026 Roll-Over Objectives	Quarter 1 Progress Summary
1	Office of the CEO	Advancing the Masig Statement is now Advancing the Malungu Yangu Wakay, Mirkok, Ikya Malunhuman statement	• Action Plan progressed • Advocacy Plan progressed • Successful community engagement	Underway/On-Track	🟡	Yes	Progressing name change across organisation.
2	Office of the CEO	Transition Action Plan (TAP)	• 60% of Cairns Footprint to be transitioned back to the region by 2028 • Closure of Grafton Street Office during 2028 • Robust advocacy and lobbying from 1 July 2025 to 30 June 2028	Underway/On-Track	🟡	Yes	Progress on Transition Action Plan (TAP) was discussed with Council at its workshop in October 2026.
3	Office of the CEO	Financial Sustainability	Implementation of initatives	Underway/On-Track	🟡	No	CEO attended meetings in Brisbane to advocate to Director General Local Government , Local Government Association of Queensland and other groups.
4	Office of the CEO	Refresh organisation's values	Engagement with Council staff and elected members to review the organisation's values	Completed/On-Going	🟢	Yes	Ongoing workshops rolling out phase 2 including 3 workshops in Divisions.
5	Financial Services	Enhancement of Human Resources and Payroll (HRP) modules to maximise the benefit from the use of Technology One including the automation of repetitive tasks to create more capability to focus on value added tasks.	Phase 2 of HRP enhancement project which focuses on the rollout of employee self services including leave and timesheet entry and updating personal data. External review of HRP module to provide recommendations on process improvements including removal of redundant tasks and automation of repetitive tasks.	Completed/On-Going	🟢	Yes	Preliminary discussions have been held with the consultant. Progress is currently constrained by limited Payroll capacity, with only one permanent employee available against the required staffing level of approximately 2.5 full-time equivalents. Additional resourcing will be required to support the project which is currently being recruited. The external review will commence following progress on the employee self-service rollout and once sufficient internal capacity is available.
6	Financial Services	Conduct desktop asset valuation for all asset classes required under Australian Accounting Standards.	External Audit sign off of Desktop valuation.	Underway/On-Track	🟡	Yes	The request for quotation and engagement of a suitably qualified valuer are scheduled for Quarter 3. The completed desktop evaluation will then be presented to External Audit for review and sign-off in Quarter 4.

ORDINARY MEETING
28 OCTOBER 2026

AGENDA ITEM
6.4

DIRECTORATE: CORPORATE SERVICES
AUTHOR: *Executive Director Corporate Services*

STANDING ORDERS (MEETING PROCEDURES) POLICY

OFFICER RECOMMENDATION:

Council resolves:

1. **to rescind Standing Orders (Meeting Procedures) Policy with an effective date of 1 August 2024;**
2. **adopt Standing Orders (Meeting Procedures) Policy dated 28 October 2026 as attached (Attachment 1) to the agenda report; and**
3. **authorise the Chief Executive Officer to make any administrative changes to the policy when required.**

EXECUTIVE SUMMARY:

The Standing Orders (Meeting Procedures) Policy has been reviewed in accordance with Council's Policy Framework and Queensland legislation changes under the Local Government Act 2009 (LGA) and the Local Government Regulation 2012 (LGAR). A revised policy (Attachment 1) is now submitted to Council for consideration and endorsement.

Interested Parties/Consultation:

- Councillors – Councillor Workshop 15 October 2026
- Executive Leadership Team
- Department of Local Government, Water and Volunteers

Background / Previous Council Consideration:

The Standing Orders (Meeting Procedure) Policy provides written rules for the orderly conduct of Council and Standing Committee meetings. The Department of Local Government, Water and Volunteers provides for use by Local Government 'Best practice example standing orders for council and standing committee meetings – July 2026'. This best practice example has been updated following recent LGA & LGAR legislative amendment effective from 25 June 2026. The best practice example has been used as the basis of Standing Orders (Meeting Procedures) Policy (Attachment 1) with the following alterations:

- Removal of reference to Brisbane City Council; and
- Part 3.2 – inclusion of cultural and religious requirements suitable to Torres Strait Island Regional Council.

Changes to the Standing Orders Policy were discussed at the recent Councillor Workshop on 15 October 2026. Adoption of Standing Orders (Meeting Procedures) Policy as attached

DIRECTORATE: CORPORATE SERVICES
AUTHOR: *Executive Director Corporate Services*

(Attachment 1) ensures alignment with legislative and legal obligations and adopts procedures for the conduct of TSIRC statutory meetings.

COMPLIANCE / CONSIDERATIONS:

Statutory:	• *Local Government Act 2009* • *Local Government Regulation2012* • *Code of Conduct Councillors in Queensland 2026*
Budgetary:	Nil impact
Policy:	The policy was developed under Council's Policy Framework and guidance from Department of Local Government, Water and Volunteers. It provides clear guidance for the conduct of TSIRC statutory meetings. Adoption of Standing Orders (Meeting Procedures) Policy as outlined in Attachment 1 will ensure legislative compliance.
Legal:	The new policy is compliant with all legislative requirements and reflects best practice local government governance.
Risk / Risk Mitigation:	Failure to adopt the revised policy may result in non-compliance with legislative obligations and expose Council to legal, and/or reputational risk. Adoption of the proposed revised policy mitigates these risks and strengthens Council's governance, integrity, and accountability practices.
Links to Strategic Plans:	CORPORATE PLAN 2025-2030 Focus Area # 3. A proactive and responsible Council ➢ 3.1 Provide good governance and leadership ➢ 3.3 Foster high performing, supportive and inclusive work environment
MALUNGU YANGU WAKAY	Assists in equipping Council's goals and aspirations for self -determination.
Standing Committee Consultation:	N/A
Timelines:	To ensure legislative compliance the new Policy should be adopted as soon as possible.

ATTACHMENTS:

Attachment 1: *Standing Orders (Meeting Procedures) Policy*

Torres Strait Island
REGIONAL COUNCIL

Attachment 1

Standing Orders (Meeting Procedures) Policy

1. PURPOSE

Provides written rules for the orderly conduct of local government meetings. These standing orders incorporate the model meeting procedures that deal with matters during council meetings that must be adhered to under the *Local Government Act 2009* (LGA) and the *Local Government Regulation 2012* (LGAR).

2. SCOPE

This policy applies to the Mayor and all Councillors of Torres Strait Island Regional Council (Council).

3. LINK TO CORPORATE PLAN

- A proactive and responsible Council
- Provide good governance and leadership
- Advocate on behalf of our communities

4. PROVISIONS

Section 150F of the Local Government Act 2009 (Qld) mandates that the Department's chief executive must make model procedures for the conduct of local government meetings.

These statutory model procedures serve as a framework that Queensland local councils must use to govern their public meetings. Under the subsequent Section 150G, councils are required to formally adopt meeting procedures and standing orders that align with these standards

This policy is adapted from those model meeting procedures with minor alterations, but consistent with the procedures.

Standing Orders and Model Meeting Procedures

Intent

To help local governments, the Department of Local Government, Water and Volunteers (DLGWV) provides best practice standing orders that local governments may adopt to provide written rules for the orderly conduct of council meetings.

*These best practice standing orders incorporate the **model meeting procedures** (MMP) that deal with matters during council meetings that must be followed under the Local Government Act 2009 (LGA), including the DLGWVMMP and the meeting provisions in the Local Government Regulation 2012 (LGR). Local governments can revise their standing orders to incorporate the Model Meeting Procedures or adopt the Model Meeting Procedures.*

1. Standing orders

1.1 These standing orders apply to Torres Strait Island Regional Council (Council) meetings (Council meetings) including standing committee meetings. These standing orders do not apply to meetings of the audit committee.

1.2 A section of these standing orders may be suspended by a vote at any meeting of the local government except those sections that are mandatory under the Model Meeting Procedures. A separate vote is required for each suspension and must describe the application and duration of each suspension.

1.3 Where a matter arises at the council meeting that is not provided for in these standing orders, the matter will be determined by vote of the council on a motion which may be put to the meeting without notice but otherwise conforming with these standing orders.

Procedures for meetings of local government

2. Procedure for Chairperson

This section applies to council meetings, and local government standing committee meetings.

Section 12(4) of the LGA provides that the mayor is the chairperson of council meetings, and any committee meetings for which the mayor is appointed as chairperson, with responsibility for leading and managing council meetings.

The mayor may delegate this responsibility to another councillor to perform, section 12(5) of the LGA including when the mayor is absent or temporarily incapacitated. Section 165 of the LGA provides that, the deputy mayor acts for the mayor during any absence or temporary incapacity or when the office of mayor is vacant.

2.1 The mayor is the chairperson of council meetings and any committee meetings for which the mayor has been appointed as chairperson.

2.2 If the mayor is absent from a council meeting, the meeting will be chaired by the councillor to whom the mayor has delegated their responsibility to chair the meeting.

2.3 If the mayor is absent or unavailable to chair a council meeting, and has not delegated another councillor to do so, the deputy mayor will be the chairperson.

2.4 If the office of mayor becomes vacant the deputy mayor acts as mayor and chairperson of the council meetings.

2.5 If the mayor and the deputy mayor are both prevented from chairing the meeting because of absence or temporary incapacitation, and no other councillor has been delegated the responsibility, the council may by resolution appoint one of the councillors present at the meeting to act as chairperson for the duration of the meeting.

2.6 The local government may appoint the chairperson for a standing committee. This chairperson will preside over meetings of the committee. The mayor is a member of each standing committee but not necessarily the chairperson unless the mayor has been appointed as chairperson of the committee.

2.7 If the chairperson of a committee is absent or unavailable to chair, another councillor who is chosen by the councillors present, will be chairperson of the committee meeting.

2.8 Before proceeding with the business of the council meeting, the chairperson at the meeting will undertake the acknowledgement and/or greetings deemed appropriate by the local government.

Note: *The provision for the mayor to delegate the responsibility to be chairperson to another councillor caters for the possibility that the mayor will not be the chairperson of a particular council meeting because the mayor has, for example, a conflict of interest in a matter, or will be absent or incapacitated for that meeting. Upon the mayor's return to the meeting the mayor or deputy mayor (whichever is relevant) can resume their role as chairperson.*

3. Order of business

3.1 The order of business will be determined by resolution of the Council from time to time. The order of business may be altered for a particular meeting where the councillors at that meeting pass a procedural motion to that effect. A motion to alter the order of business may be moved without notice.

3.2 Unless otherwise altered, the order of business will be as follows:

- welcome
- attendance
- acknowledgements
- opening prayer
- apologies and granting of leaves of absence
- confirmation of previous minutes
- business arising out of previous meetings reports, financial statements reports
- officers' reports
- next meeting
- close of meeting and prayer

***Note**: The minutes of a previous meeting, whether an ordinary or a special meeting, not previously confirmed will be taken into consideration, at every ordinary meeting of the local government, in order that the minutes may be confirmed. No discussion will be permitted about these minutes except with respect to their accuracy as a record of the proceedings. Amendments to the minutes may be made prior to confirming the minutes. This must be done by moving a motion to amend the minutes that must be voted on and carried. Once the minutes are confirmed by resolution of the meeting they cannot be changed. All councillors present at the meeting can vote to confirm the minutes including those who were absent at the previous meeting and those who had a conflict of interest or a material personal interest at the previous meeting. If the council needs to make a correction to the confirmed minutes, that can be done by passing a new motion that states what the correction is, but the original minutes remain as they are recorded.*

4. Agendas

4.1 The agenda may contain:

- notice of meeting
- proposed corrections to draft minutes of the previous meeting (if relevant)
- adoption of the minutes of the previous meeting
- business which the mayor wishes to have considered at that meeting without notice
- matters of which notice has been given
- committees' reports referred to the meeting by the chief executive officer (CEO)
- officers' reports referred to the meeting by the CEO
- deputations and delegations from the community that are approved to attend

4.2 Business not on the agenda, or not fairly arising from the agenda, will not be considered at any Council meeting unless permission for that purpose is given

by the Council at the meeting. Business must be in accordance with the adopted terms of reference for each committee.

4.3 The notice of the meeting and the agenda must be given to each councillor at least two days before the meeting and in the case of Indigenous regional councillors, being Torres Strait Regional Council and Northern Peninsula Area Regional Council, at least four days prior to the meeting, unless it is impracticable to give the notice before that time.

4.4 The agenda for the council must be made publicly available by 5pm on the business day after the notice of meeting is given to the councillors. Any related reports, for the council meeting must also be included and available to the public when the agenda for the meeting is made publicly available, excluding confidential reports. If the related report is made available to councillors or committee members during the period starting immediately after notice of the meeting is given and ending immediately before the meeting is held, then these reports must be made available to the public as soon as practicable after it is made available to the councillors or committee members.

5. Quorum

5.1 A quorum at a Council meeting is a majority of its councillors. If the number of councillors is even number, then one half of the number is a quorum.

5.2 If a quorum is not present within 15 minutes after the time set for the meeting to begin, it may be adjourned to a later hour or a later day within 14 days after the day of the adjournment. The meeting may be adjourned by a majority of councillors present, or if only one councillor is present, then that councillor, or if no councillors are present then the CEO.

6. Petitions

6.1 Any petition presented to a meeting of the Council will:

- be in legible writing or typewritten and contain a minimum of 10 signatures
- include the name and contact details of the principal petitioner (i.e., the key contact)
- include the postcode of all petitioners, and
- have the details of the specific request/matter appear on each page of the petition.

6.2 Where a councillor presents a petition to a meeting of the Council, no debate in relation to it will be allowed, and the only motion which may be moved is:

- that the petition be received

- referred to a committee or officer for consideration and a report to the Council, or
- not be received because it is deemed invalid.

6.3 The Council will respond to the principal petitioner in relation to all petitions deemed valid.

7. Deputations

7.1 A deputation wishing to attend and address a meeting of the Council shall apply in writing to the CEO not less than seven (7) business days before the meeting.

7.2 The CEO, on receiving an application for a deputation, shall notify the chairperson who will determine whether the deputation may be heard. The CEO will inform the deputation of the determination in writing. Where it has been determined the deputation will be heard, a convenient time will be arranged for that purpose, and an appropriate time period allowed. (eg. 15 minutes)

7.3 For deputations comprising three or more persons, only three persons shall be at liberty to address the Council meeting unless the councillors at the meeting determine otherwise by resolution. A deputation shall be given adequate opportunity to explain the purpose of the deputation.

7.4 If a member of the deputation other than the appointed speakers interjects or attempts to address the Council meeting, the chairperson may terminate the deputation.

7.5 The chairperson may terminate an address by a person in a deputation at any time where:

- the chairperson is satisfied that the purpose of the deputation has been sufficiently explained to the councillors at the meeting
- the time period allowed for a deputation has expired, or
- the person uses insulting or offensive language or is derogatory towards councillors or others.

7.6 Any person who is considered by the council or the chairperson to be inappropriately presenting may be directed by the chairperson to immediately withdraw from the meeting. Failure to comply with such a request may be considered an act of disorder.

7.7 The CEO is responsible for the deputation, including that the appointed speaker/s are notified in writing of developments or future actions as appropriate.

8. Public participation at meetings

8.1 A member of the public may take part in the proceeding of a meeting only when invited to do so by the chairperson.

8.2 In each Council meeting, time may be required to permit members of the public to address Council on matters of public interest related to Council. An appropriate time period will be allowed (e.g. 15 minutes) and no more than three speakers shall be permitted to speak at one meeting. The right of any individual to address the Council during this period shall be at the absolute discretion of the chairperson.

8.3 If any address or comment is irrelevant, offensive, or unduly long, the chairperson may require the person to cease making the submission or comment.

8.4 For any matter arising from such an address, the Council may take the following actions:

- refer the matter to a committee
- deal with the matter immediately
- place the matter on notice for discussion at a future meeting
- note the matter and take no further action.

8.5 Any person addressing the Council shall stand, act, and speak with decorum and frame any remarks in respectful and courteous language.

8.6 Any person who is considered by the Council or the chairperson to be inappropriately presenting may be directed by the chairperson to immediately withdraw from the meeting. Failure to comply with such a request may be considered an act of disorder.

9. Material Personal Interest

Councillors are ultimately responsible for informing a meeting of any material personal interest in matters to be discussed at a council or committee meeting, other than the matters in relation to which chapter 5B of the LGA does not apply (as prescribed under section 150ED of the LGA).

9.1 A material personal interest is defined in section 150EE of the Local Government Act.

9.2 Managing a material personal interest at a meeting — if a matter is to be discussed at a council meeting in which the councillor has a material personal interest; the councillor must —

- inform the meeting of the councillor's material personal interest in the matter; and

- leave the place where the meeting is being held, including any area set aside for the public, and stay away from the place while the matter is discussed and voted on, or
- ask the chairperson to defer the matter to allow the councillor the opportunity to apply to the Minister for local government for approval to participate in deciding the matter.
- in these circumstances, the matter may be deferred by resolution to a later meeting date.

Note: *Contravention of the requirements at subsection 9.2 is misconduct that could result in disciplinary action being taken against a councillor—see section 150L(1)(c)(iii) of the LGA.*

The councillor must not contravene subsection 9.2, including by voting on the matter, with an intention to gain a benefit or avoid a loss for the councillor or someone else – maximum penalty is 200 penalty units or 2 years imprisonment. If a councillor becomes aware that another councillor is engaging in possible misconduct e.g. has a material personal interest in a matter and is participating in a decision at a meeting on that matter without the Minister's approval, the councillor or chief executive officer, must notify the Assessor of the information about the councillor's conduct. —see section 150R LGA.

However, the councillor does not contravene subsection 9.2 by taking part in the meeting or being at the place where the meeting is being held, if the councillor is a person to whom approval is given in a signed notice by the Minister and the councillor complies with all conditions on which the approval is given. Section 150EI (4)-(6) LGA provides that the Minister for Local Government may, by signed notice give approval for a councillor who has a material personal interest in a matter, to participate in deciding a matter in a meeting including being present for the discussion and vote on the matter. The Minister may issue such an approval because the holding of the meeting would be obstructed without the approval or it appears to be in the interests of the local government area that approval be given; and the councillor complies with all conditions on which the approval is given.

The following information must be recorded in the minutes of the meeting or, if minutes are not required for the meeting, in another way prescribed by regulation—

- *the name of the councillor who has the material personal interest in a matter*
- *the nature of the material personal interest as described by the councillor*
- *whether the councillor took part in the meeting, or was at the place during the meeting, under an approval from the Minister.*

10. Conflict of interest

Councillors are ultimately responsible for informing a meeting of any conflict of interest (real or perceived) in a matter to be discussed at a council or committee meeting other than the matters to which chapter 5B of the LGA do not apply (as prescribed under section 150ED of the LGA).

10.1 A conflict of interest is defined in section 150EF of the LGA. When managing a real or perceived conflict of interest, councillors must do so in a transparent and accountable way.

10.2 Managing a councillor's conflict of interest at a meeting —The councillor must:

- inform the meeting of the personal interests in the matter, and leave the meeting including any area for the public to view the meeting, or
- if the councillor participates in the meeting in relation to the matter, advise the meeting how the councillor intends to manage the real or perceived conflict.

10.3 If a quorum at the meeting cannot be formed because the councillor proposes to exclude themselves from the meeting to manage their conflict of interest, the councillor does not contravene the above provisions merely by participating and voting in the meeting in relation to the matter, if their attendance is required to form a quorum. However, the councillor must still advise the meeting how they intend to manage the conflict.

10.4 If a councillor has a conflict of interest in a matter, and proposes to exclude themself from the meeting, the chairperson may ask a councillor, if the councillor has considered another way to manage their conflict of interest.

10.5 If the councillor who was proposing to be excluded from the meeting is reconsidering their decision on whether to participate in the meeting, the councillor may consider the following in determining how they will manage the conflict of interest:

10.5.1 how their participation in the meeting may affect the public trust?

10.5.2 how close is their relationship to the related party if the conflict arises because of a related party?

10.5.3 how will the benefit or loss, the councillor or the related party stand to receive from the decision compared to others in the community?

10.5.4 does the councillor have skills, knowledge or expertise that might help make the best decision in the public interest?

Note: *Contravention of subsection 10.2 is misconduct that could result in disciplinary action being taken against a councillor—see section 150L(1)(c)(iii) of the LGA.*

To remove any doubt, non-participation in the meeting is not the only way the councillor may appropriately deal with the real conflict or perceived conflict in a transparent and accountable way.

If the councillor participates in the meeting; the following information must be recorded in the minutes of the meeting or, if minutes are not required for the meeting in another way prescribed by regulation:

- *the name of the councillor who has the real or perceived conflict*
- *the nature of the personal interests, as described by the councillor*
- *how the councillor dealt with the real conflict or perceived conflict*
- *if the councillor voted on the matter—how the councillor voted on the matter*
- *how the majority of councillors who voted at the meeting voted on the matter.*

11. Loss of quorum

11.1 There are several ways that councils and councillors may deal with a potential loss of quorum.

11.2 If a quorum is lost due to a majority of councillors present having advised of a conflict of interest or a material personal interest and leaving the place of the meeting, this will be managed as above in clauses 9 and 10.

11.3 Alternatively, the council may delegate the consideration and decision on the matter, as described in section 257 of the LGA unless the matter cannot be delegated under subsection 3 of both sections, because an Act says it must be decided by resolution of the council. If the matter cannot be delegated, the council can:

- decide by resolution to defer the matter to a later meeting
- decide by resolution not to decide the matter and take no further action in relation to the matter unless the LGA or another Act provides that the council must decide the matter.

11.4 The council may by resolution delegate a power under section 257 of the LGA to:

- the mayor or CEO
- a standing committee, or joint committee of the local government
- the chairperson of a standing committee or joint standing committee of the local government
- another local government for a joint government activity

11.5 The council must not delegate a decision to an entity if the entity, or a majority being at least half of its members, has a material personal interest or conflict of interest in the matter.

Motions

12. Motion to be moved

12.1 A councillor is required to 'move' a motion and then another councillor is required to 'second' the motion.

12.2 When a motion has been moved and seconded, it will become subject to the control of the Council and cannot be withdrawn without the consent of the Council meeting.

12.3 Other councillors can propose amendments to the motion, which must be voted on before voting on the final motion:

- a motion brought before a meeting of the Council in accordance with the LGA or these standing orders will be received and put to the meeting by the chairperson
- the chairperson may require a motion or amendment to a motion to be stated in full or be in writing before permitting it to be received
- the chairperson may refuse to accept a motion if it is not within the meeting's jurisdiction and rule a motion out of order if necessary. Any motion that is vague, proposes an unlawful action, is outside the scope of the meeting, is defamatory, vexatious or is unnecessary, may be ruled out of order.

12.4 The chairperson may call the notices of motion in the order in which they appear on the agenda. Where no objection is raised to a motion being taken as a formal motion, and the motion is then seconded, the chairperson may put the motion to the vote without discussion and the vote can occur.

12.5 No more than one motion or one proposed amendment to a motion may be put before a meeting of Council at any one time.

13. Absence of mover of motion

13.1 Where a councillor who has given notice of a motion is absent from the meeting of the Council at which the motion is to be considered, the motion may be:

- moved by another councillor at the meeting
- deferred to the next meeting.

14. Motion to be seconded

14.1 A motion or an amendment to a motion will not be debated at a meeting of the Council unless or until the motion or the amendment is seconded.

14.2 If the motion does not receive a seconder, it becomes a failed motion and cannot be debated or voted on.

14.3 Procedural motions are an exception to this rule and do not need to be seconded.

15. Amendment of motion

15.1 An amendment to a motion should maintain or further clarify the intent of the original motion and not contradict the motion.

15.2 Where an amendment to a motion is before a meeting of the local government, no other amendment to the motion will be considered until after the first amendment has been voted on.

15.3 Where a motion is amended, the original motion cannot be re-introduced as a subsequent amendment to the first amended motion.

16. Speaking to motions and amendments

16.1 The mover of a motion or amendment will read it and state that it is moved but will not speak to it until it is seconded.

16.2 The chairperson will manage the debate by allowing the councillor who proposed the motion the option of speaking first on the motion. The chairperson will then call on any other councillors who wish to speak against the motion and then alternatively for and against the motion as available, until all councillors who wish to speak have had the opportunity.

16.3 A councillor may make a request to the chairperson for further information before or after the motion or amendment is seconded.

16.4 The mover of a motion or amendment has the right to reply. Each councillor will speak no more than once to the same motion or same amendment except as a right of reply. Once the right of reply has been delivered the debate ends.

16.5 Each speaker will be restricted to not more than five minutes unless the chairperson rules otherwise.

16.6 Where two or more councillors indicate, they may wish to speak at the same time, the chairperson will determine who is entitled to priority.

16.7 In accordance with section 254H of the LGR if a decision made at the Council meeting is inconsistent with a recommendation or advice given to the Council by an advisor, the minutes of the meeting must include a statement of the reasons for not adopting the recommendation or advice.

Note: *If a report contains distinct recommendations, the decision of the local government may be taken separately on each recommendation. If a decision by the meeting is contra to a recommendation in a report the minutes must give the reasons for the decision.*

17. Method of taking vote

17.1 The chairperson will call for all councillors in favour of the motion to indicate their support. The chairperson will then call for all councillors against the motion to indicate their objection.

17.1.1 A councillor abstaining from the vote, will be recorded as voting against the motion.

17.1.2 The chairperson will declare the result of the vote.

17.2 A councillor may call for a 'division' to ensure their objection to the motion is recorded in the minutes. If a division is taken, the minutes of the meeting will record the names of councillors voting in the affirmative and of those voting in the negative. The chairperson will declare the result of a vote or a division as soon as it has been determined.

17.3 Councillors have the right to request that their names and how they voted be recorded in the minutes if they request it when voting other than by division.

17.4 Except upon a motion to repeal or amend it, the resolution will not be discussed after the vote has been declared.

18. Withdrawing a motion

18.1 A motion or amendment may be withdrawn by the mover with the consent of the local government, which will be without debate, and a councillor will not speak to the motion or amendment after the mover has been granted permission by the Council meeting for its withdrawal.

19. Repealing or amending resolutions

19.1 A resolution of the Council may not be amended or repealed unless notice of motion is given in accordance with the requirements of the legislation (five business days).

19.2 Councillors present at the meeting at which a motion to repeal or amend a resolution is put may defer consideration of that motion. The deferral may not be longer than three months.

20. Procedural motions

20.1 A councillor at a meeting of the Council may during the debate of a matter at the meeting, move the following motions, as a procedural motion without the need for a seconder:

- that the question/motion be now put before the meeting
- that the motion or amendment now before the meeting be adjourned
- that the meeting proceeds to the next item of business
- that the question lie on the table
- a point of order
- a motion of dissent against the chairperson's decision
- that this report/document be tabled
- to suspend the rule requiring that [insert requirement]
- that the meeting stands adjourned.

20.2 A procedural motion that 'the question be put' may be moved and, where the procedural motion is carried, the chairperson will immediately 'put the question to the motion' or amendment to that motion under consideration. Where the procedural motion is lost, debate on the motion or amendment to that motion will resume.

20.3 A procedural motion that 'the motion or amendment now before the meeting be adjourned', may specify a time or date to which the debate will be adjourned. Where no date or time is specified:

- a further motion may be moved to specify a time or date; or
- the matter about which the debate is to be adjourned, will be included in the agenda for the next meeting.

20.4 Where a procedural motion that 'the meeting proceed to the next item' is carried, debate on the matter that is the subject of the motion will cease and may be considered again by the Council on the giving of notice in accordance with the standing orders.

20.5 A procedural motion that 'the question lie on the table' will only be moved where the chairperson or a councillor requires additional information on the matter before the meeting (or the result of some other action of the Council or person is required) before the matter may be concluded at the meeting. Where such a procedural motion is passed, the Council will proceed with the next matter on the agenda.

20.6 A motion that 'the matter be taken from the table', may be moved at the meeting at which the procedural motion was carried or at any later meeting.

20.7 Any councillor may ask the chairperson to decide on a point of order where it is believed that another councillor:

- has failed to comply with proper procedures
- is in contravention of the legislation; or
- is beyond the jurisdiction of the Council meeting.

Note: *Points of order cannot be used as a means of contradicting a statement made by the councillor speaking. Where a point of order is moved, consideration of the matter to which the motion was moved will be suspended. The chairperson will determine whether the point of order is upheld.*

20.8 Upon the question of order suddenly arising during the process of a debate, a councillor may raise a point of order, and then the councillor against whom the point of order is raised, will immediately cease speaking. Notwithstanding anything contained in these standing orders to the contrary, all questions or points of order at any time arising will, until decided, suspend the consideration and decision of every other question.

20.9 A councillor may move a motion of dissent in relation to a ruling of the chairperson on a point of order. Where such motion is moved, further consideration of any matter will be suspended until after a ruling is made. For example, where a motion of dissent is carried, the matter to which the ruling of the chairperson was made will proceed as though that ruling had not been made. Where the opposite ruling is made, that the matter was discharged as out of order, it will be restored to the agenda and be dealt with in the normal course of business.

20.10 The motion that ‘a report/document be tabled’ may be used by a councillor to introduce a report or other document to the meeting only if the report or other document is not otherwise protected under confidentiality or information privacy laws. On tabling the document, it ceases to be a confidential document and is available for public scrutiny.

20.11 A procedural motion ‘to suspend the rule requiring that’ may be made by any councillor in order to permit some action that otherwise would be prevented by a procedural rule. A motion to suspend a rule will specify the duration of the suspension.

20.12 A procedural motion that ‘the meeting stands adjourned’, may be moved by a councillor at the conclusion of debate on any matter on the agenda or at the conclusion of a councillor’s time for speaking to the matter, and will be put without debate. Such a procedural motion will specify a time for the resumption of the meeting and on resumption of the meeting, the Council meeting will continue with the business before the meeting at the point where it was discontinued on the adjournment.

21. Questions

21.1 At a Council meeting, a councillor may ask a question for reply by another councillor or an officer regarding any matter under consideration at the meeting. The question is asked 'with permission of the chairperson' or 'a question put through the chair to. The chair who may or may not allow the question.

21.2 Questions will be asked categorically and without argument and no discussion will be permitted at the Council meeting in relation to a reply or a refusal to reply to the question.

21.3 A councillor or officer to whom a question is asked without notice may request that the question be taken on notice for the next meeting.

21.4 A councillor who asks a question at a meeting, whether or not upon notice, will be deemed not to have spoken to the debate of the motion to which the question relates.

Meeting Conduct

22. Process for dealing with Unsuitable Meeting Conduct

The conduct of a councillor is unsuitable meeting conduct if the conduct happens during a Council meeting and contravenes a behavioural standard of **the Code of Conduct for Councillors**. When dealing with an instance of unsuitable meeting conduct by a councillor in a meeting, the following procedures must be followed by the chairperson of the council meeting:

22.1 The chairperson must reasonably believe that unsuitable meeting conduct has been engaged in by a councillor during a meeting. The chairperson may consider the severity of the conduct and whether the councillor has been issued with any previous warnings for unsuitable meeting conduct. If the chairperson decides the conduct is of a serious nature or another warning is unwarranted, the chairperson can make an order in relation to the conduct under section 22.7 below.

22.2 If the chairperson decides unsuitable meeting conduct has occurred, but is of a less serious nature, the chairperson may request the councillor take remedial actions such as:

- ceasing and refraining from exhibiting the conduct
- apologising for their conduct
- withdrawing their comments.

22.3 If the councillor complies with the chairperson's request for remedial action, no further action is required.

22.4 If the councillor fails to comply with the chairperson's request for remedial action, the chairperson may warn the councillor that failing to comply with the request could result in an order of unsuitable meeting conduct being issued.

22.5 If the councillor complies with the chairperson's warning and request for remedial action, no further action is required.

22.6 If the councillor continues to fail to comply with the chairperson's request for remedial action or the chairperson decides a warning was not appropriate under 22.2 the chairperson may make one or more of the orders below:

- an order reprimanding the councillor for the conduct
- an order requiring the councillor to leave the meeting, including any area set aside for the public and stay out for the duration of the meeting.

22.7 If the councillor fails to comply with an order to leave and stay away from the meeting, the chairperson can issue an order that the councillor be removed from the meeting.

22.8 Contravention of an order to leave the meeting is misconduct under section 150L LGA.

22.9 Following the completion of the meeting, the chairperson must ensure the minutes record the information about unsuitable meeting conduct (see note below).

Note: *Details of any order issued must be recorded in the minutes of the meeting. If the councillor has refused to comply with an order issued to leave the meeting, these matters are misconduct, the council is required to notify the independent assessor (the Assessor) about the conduct. The local government's CEO is advised to ensure details of any order made is updated in the local government's councillor conduct register including the name of the councillor who engaged in unsuitable meeting conduct. Any councillor aggrieved with an order issued by the chairperson can move a motion of dissent.*

22.10 Any councillor aggrieved with an order issued by the chairperson can move a motion of dissent for parts 23.2, 23.3, 23.7 and 23.8 above.

23. Process for dealing with Unsuitable Meeting Conduct by a Chairperson

23.1 If a councillor at the meeting reasonably believes that the conduct of the chairperson during the meeting is unsuitable meeting conduct, the councillor may raise the matter in the meeting by point of order.

23.2 The chairperson may take remedial action such as:

23.2.1 Ceasing and refraining from exhibiting unsuitable meeting conduct, or

23.2.2 Apologising for their conduct, or

23.2.3 Withdrawing their comments.

23.3 If the chairperson does not take remedial action, the councillor may move a procedural motion that the chairperson has engaged in unsuitable meeting conduct (a seconder for the motion is not required and there will be no debate).

23.4 The councillors present at the meeting, excluding the chairperson, must decide by voting on the resolution if the conduct is unsuitable meeting conduct.

23.5 The chairperson may remain at the meeting as chairperson but must not vote on the motion as prescribed in section 150IA the LGA. If the votes are equal, the motion is resolved in the negative.

23.6 If it is decided that the chairperson has engaged in unsuitable meeting conduct the councillors will make an order reprimanding the chairperson for the unsuitable meeting conduct.

23.7 Following an order being made the chairperson returns to the business in the agenda and the meeting continues.

Note: Details of any reprimand order is recorded in the minutes of the meeting. The local government's chief executive officer is responsible to ensure details of any order made is updated in the local government's councillor conduct register including the name of the chairperson engaging in unsuitable meeting conduct.

24. General conduct during meetings

24.1 After a meeting of the Council has been formally constituted and the business commenced, a councillor will not enter or leave from the meeting without first notifying the chairperson.

24.2 Councillors will speak to each other or about each other during the Council meeting by their respective titles ('mayor' or 'councillor'), and when speaking of or addressing officers, will call them by their respective official or departmental title and will confine their remarks to the matter under consideration.

24.3 No councillor who is speaking will be interrupted except upon a point of order being raised either by the chairperson or by another councillor.

24.4 When the chairperson speaks during the process of a debate, the councillor speaking or offering to speak will immediately cease speaking, and each councillor present will observe strict silence so that the chairperson may be heard without interruption.

25. Disorder

25.1 The chairperson may adjourn the meeting of the local government, where disorder arises at a meeting other than by a councillor. For example, as a result of behaviour as described in 7.5 or 8.6.

25.2 On resumption of the meeting, the chairperson will move a motion, to be put without debate, to determine whether the meeting will proceed. Where the motion is lost, the chairperson shall declare the meeting closed, and any outstanding matters will be deferred to a future meeting.

Attendance and non-attendance

26. Attendance of public and the media at a Council meeting

26.1 An area shall be made available at the place where any meeting of the local government is to take place for members of the public and representatives of the media to attend the meeting and as many members of the public as reasonably can be accommodated in that area will be permitted to attend the meeting.

26.2 When the Council is sitting in closed session, the public and representatives of the media will be excluded from the meeting.

27. Closed session

27.1 Council meeting, standing committee meeting and advisory committee meeting may resolve that a meeting be closed to the public if its councillors and members consider it necessary to discuss any of the following matters pursuant to section 254J(3) of the LGR:

- appointment, dismissal, or discipline of the CEO
- industrial matters affecting employees
- the local government's budget (which does not include the monthly financial statements)
- rating concessions
- legal advice obtained by the Council or legal proceedings involving the local government, including for example, legal proceedings that may be taken by or against the local government
- matters that may directly affect the health and safety of an individual or a group of individuals

- negotiations relating to a commercial matter involving the Council for which a public discussion would be likely to prejudice the interests of the local government
- negotiations relating to the taking of land by the Council under the Acquisition of Land Act 1967
- a matter that the Council is required to keep confidential under a law of, or a formal agreement with, the Commonwealth or State.

27.2 The meeting must not be closed if a quorum is lost due to the number of conflicted councillors who leave the meeting. The council may instead:

- delegate consideration and decision on the matter, under section 257 of the LGA, unless the matter cannot be delegated
- decide by resolution to defer the matter to a later meeting when a quorum may be formed
- decide by resolution not to decide the matter and take no further action in relation to the matter unless the LGA or another Act provides that the council must decide the matter
- Councillors who have a personal interest in the matter can vote on the resolution.

27.3 None of the above will be considered, discussed, voted on or made during a closed session.

27.4 If a closed session includes attendance by teleconference, the councillor/s attending by teleconference must maintain confidentiality by ensuring no other person can hear their conversation while in the closed meeting (a failure to do so could be a contravention of section 171(3) of the LGA.

27.5 To take a matter into a closed session the Council must abide by the following process:

- pass a resolution to close the meeting
- the resolution must state the matter to be discussed, an overview of what is to be discussed and why the meeting should be closed while the matter is considered
- no resolution can be made while in a closed meeting (other than a procedural resolution).

28. Teleconferencing of meetings

28.1 If a councillor wishes to be absent from a Council meeting place during a meeting, the councillor must apply to the Council to participate by teleconference, at least three business days prior to the meeting or as soon as practicable once

the councillor becomes aware of their intended absence. The Council may allow a councillor to participate in a Council or committee meeting by teleconference.

Note: *There is no legislative requirement for a resolution by a local government to allow a councillor to participate by audio link or audio-visual link. This means the local government may delegate the matter. For example, the local government may delegate to the chairperson of the local government or a committee meeting the ability to decide whether a councillor can attend a meeting by audio link or audio-visual link.*

28.2 The councillor taking part by teleconference is taken to be present at the meeting if the councillor was simultaneously in audio contact with each other person at the meeting. The attendance of the councillor must be recorded in the minutes as present at the meeting.

Note: *Teleconferencing includes the use of a telephone, video conferencing equipment or other means of instant communication that allows a person to take part in a discussion as it happens.*

ORDINARY MEETING
28 OCTOBER 2026

AGENDA ITEM
8.1

DIRECTORATE: FINANCIAL SERVICES
***AUTHOR**: Acting Head of Financial Services*

FINANCE DASHBOARD REPORT – September 2026

OFFICER RECOMMENDATION:

That Council receives and notes the monthly financial statements for the period ended 30 September 2026, prepared in accordance with Section 204 of the Local Government Regulation 2012, and notes the financial performance, liquidity, capital delivery and reporting matters outlined in this report.

EXECUTIVE SUMMARY:

This report presents the monthly financial statements for the period ended 30 September 2026 for Council's receipt and noting, in accordance with section 204 of the *Local Government Regulation 2012*.

Council has recorded a year-to-date operating deficit, excluding depreciation, of approximately $3.5 million, compared with a budgeted deficit of approximately $6.5 million. This represents a $2.9 million favourable variance to budget. Revenue is $10.9 million below budget, primarily due to the timing of grant funding receipts and project delivery. Expenditure is $13.8 million below budget, largely due to delays in engineering QRA works and workforce vacancies. While the lower expenditure offsets the current revenue shortfall, it does not represent a permanent saving; rather, it reflects the timing of planned project and service delivery.

These variances are predominantly timing-related and are expected to reduce as the financial year progresses. However, workforce shortages and contractor capacity constraints continue to present significant risks to service delivery, capital program implementation and the achievement of budgeted revenue outcomes.

Council's overall cash position is $37.8 million; however, a significant proportion of these funds are externally restricted for specific purposes and are not available to support general operations. Updated cash flow projections indicate that Council's current unrestricted cash balance of approximately $20.8 million remains below the Department's financial sustainability benchmark of four months' operating cashflows. This position highlights Council's ongoing reliance on external funding sources. It reinforces the importance of disciplined expenditure management, robust cash flow forecasting and the continued prioritisation of essential service delivery and critical infrastructure investment.

Capital works expenditure is currently below budget due to workforce shortages, contractor availability constraints and the logistical challenges associated with delivering projects across a geographically dispersed region. While funding remains available for many projects, continued delays may impact project completion timeframes, grant acquittal milestones and the timely delivery of infrastructure outcomes for communities. Management continues to monitor project delivery performance, prioritise resources, and implement strategies to improve delivery capacity and reduce associated risks.

Depreciation expense for July to September 2026 has not yet been recognised, as the TechnologyOne Assets Module has not been rolled forward into the 2026-27 financial year while Council finalises the 2025-26 financial statements and completes the Queensland Audit Office audit.

Audit sign-off is scheduled for 19 October 2026. As a result, the year-to-date net result is currently overstated and will reduce once depreciation is processed and brought to account.

The September 2026 results are materially affected by the timing of grant receipts and project delivery and by the omission of depreciation. Beyond these short-term effects, Council continues to face structural pressures from unrestricted cash below the Department's benchmark, workforce and contractor constraints, increasing service delivery costs, dependence on external funding and growing infrastructure requirements. Management's immediate priorities are to maintain expenditure discipline, improve cash flow forecasting, progress service and financial sustainability reviews, strengthen capital delivery and continue funding advocacy.

Background:

Council adopted the 2026-27 Original Budget at its July 2026 Ordinary Meeting, developed in accordance with the requirements of the Local Government Act 2009 and Local Government Regulation 2012. The Budget was prepared to support the continued delivery of essential services, infrastructure and community outcomes across Council's communities while recognising the financial and operational challenges facing Council.

The adopted Budget reflects ongoing risks and pressures affecting Council's financial position, including workforce shortages, limited contractor availability, freight and supply chain constraints, rising service delivery costs, funding uncertainty, and increasing infrastructure demands associated with operating in a remote environment. Council also continues to rely heavily on external funding sources, including grants, subsidies and recoverable works, which presents ongoing risks where funding is subject to external approvals, milestone achievements or timing delays in receipt.

The strategic budget planning process reflects management's commitment to proactively managing these risks and maintaining financial sustainability through disciplined expenditure management, ongoing advocacy for funding, efficient resource allocation and the continued prioritisation of essential services and infrastructure investment.

In accordance with legislative requirements, this report provides Council with a summary of financial performance against the adopted 2026-27 Original Budget to a date as near as practicable to the end of the month preceding this meeting. Monthly financial reporting enables Council to monitor performance, assess emerging risks, and make informed decisions about service delivery, resource allocation, and financial sustainability.

The following section provides a summary of financial performance for the period ended 30 September 2026, comparing actual results against the year-to-date Original Budget (refer Appendix A: Summary Financial Statements by Department and Appendix B: Detailed Capital Report).

Resource implications:

The favourable operating variance is primarily attributable to the timing of grant revenue recognition and associated project expenditure, resulting in both revenue and expenditure being below budget year to date. The favourable variance also reflects lower employee costs due to workforce vacancies and delays in delivering grant-funded programs and projects.

While workforce vacancies have reduced employee costs in the short term, these savings have been partially offset by an increased reliance on temporary staff, contractors and consultants to maintain service delivery. Continued workforce constraints may place pressure on service delivery, organisational capability and the timely delivery of capital and operational programs.

Given projected long-term pressures on unrestricted cash reserves, Council must continue to prioritise available financial and workforce resources towards core services, critical infrastructure and statutory obligations. As a result, the capacity to progress discretionary initiatives or introduce new programs may be constrained in the short to medium term, particularly where additional external funding is unavailable.

FINANCIAL PERFORMANCE AT A GLANCE – Year to Date (YTD) 30 September 2026

Key financial results	Annual Budget Original	YTD Budget Original	YTD actual	YTD variance $	YTD variance %	Status
Recurrent revenue	111,178,727	32,356,645	21,273,292	(11,083,354)	-34.3%	
Other income	44,949	11,433	192,109	180,676	1580.3%	
Recurrent expenditure (excl. depreciation)	(110,985,940)	(38,849,244)	(25,001,081)	13,848,163	35.6%	
Operating result (excl. depreciation)	**237,736**	**(6,481,166)**	**(3,535,680)**	**2,945,485**	**45.4%**	
Capital revenue	82,667,215	21,237,604	11,923,983	(9,313,621)	(43.9%)	
Capital expenses	(3,500,000)	(875,000)	2,545	877,545	100.3%	
Net result (excl. depreciation)	**79,404,951**	**13,881,438**	**8,390,848**	**(5,490,590)**	**(39.6%)**	
Depreciation expense	(86,035,109)	(21,508,777)	(165,941)	21,342,836	99.2%	
Net result	**(6,630,158)**	**(7,627,339)**	**8,224,906**	**15,852,245**	**207.8%**	

Key:
Act Vs Bud Var % is <= -10%
Act Vs Bud Var % is > -10% and <= -5%
Act Vs Bud Var % is > -5%

Important: Depreciation expense for July to September 2026 has not yet been recognised. Accordingly, the reported net result is materially overstated and will reduce when depreciation is processed.

Operating Result to Date – $2.9 million favourable variance to budget:

Revenue $10.9M unfavourable variance:

- **Building Services:** Revenue is $620K above budget, driven by a higher volume of completed recoverable works invoiced to QBuild than originally forecast. Despite the favourable revenue variance, the operating result is $395K below budget due to higher contractor and job-related costs incurred during the period.
- **Financial Services:** revenue is $456K above budget, favourable due to higher cash balances resulting in higher interest earned. This is expected to decline in the coming months as cash holdings decrease.
- **Community Services:** Revenue is $759K below budget, primarily due to the timing of grant funding receipts and some delays in invoicing commercial property rental income.
- **Engineering Services:** Revenue is $11.2M below budget, primarily due to delays in the receipt of QRA grant funding associated with project delivery delays arising from contractor availability and capacity constraints.

Expenditure $13.8M favourable variance:

- **Employee benefits** are $2.1M below budget primarily due to sustained workforce vacancies across the organisation. This favourable variance has been partially offset by increased expenditure on temporary staff, contractors and consultants to maintain essential service delivery levels.
- **Materials and services** Expenditure is $11.7M below budget, largely driven by Engineering Services being $12.7M below budget due to delays in contractor works and project delivery. This has been partially offset by Building Services' $1.5M overspend, driven by higher material and contractor costs. The lower expenditure is consistent with the reduced grant revenue recognised year to date and reflects timing differences in project delivery rather than permanent savings.

Net Result to Date $15.9M favourable variance:

- **Capital revenue** is $9.3M below budget, primarily due to the timing of revenue recognition due to delays in delivery of the capital works program.
- **Depreciation expense** for July to September 2026 has not yet been recognised due to the TechnologyOne Assets Module being unable to be rolled forward into the 2026-27 financial year until the Queensland Audit Office completes its audit and signs off Council's 2025-26 financial statements. Sign-off is currently scheduled for mid-October 2026. As a result, the

year-to-date net result is currently overstated and will reduce once depreciation is processed and brought to account.

Liquidity and Financial Sustainability Outlook

The year-to-date financial position continues to be influenced by workforce vacancies and the timing of grant-funded works. While these factors have contributed to favourable expenditure variances in the short term, they also reflect challenges in delivering planned programs and recognising associated funding revenue. In addition, increasing reliance on temporary staff, contractors and consultants has contributed to rising service delivery costs, placing ongoing pressure on Council's operating position and financial sustainability.

Updated cash flow projections indicate that Council's unrestricted cash position remains below the Department's financial sustainability benchmark of four months' operating cashflows. While Council continues to maintain sufficient overall cash balances, a significant proportion of these funds are externally restricted and therefore unavailable to support general operating activities. This position presents several ongoing risks, including:

- Reduced capacity to respond to unforeseen operational, infrastructure or community service requirements;
- Increased reliance on proactive cash flow forecasting, monitoring and expenditure management throughout the 2026-27 financial year;
- Continued exposure to funding timing delays, rising service delivery costs and limited own-source revenue growth; and
- The need to review service delivery costs, identify efficiency improvements and progress advocacy initiatives aimed at strengthening Council's long-term financial sustainability.

While the early receipt of some grant funding and lower employee costs have supported short-term financial outcomes, these factors do not address Council's underlying structural financial challenges. Continued focus will be required on financial sustainability initiatives, expenditure management, funding advocacy, service reviews and the prioritisation of core service delivery and infrastructure investment to improve Council's unrestricted cash position and long-term financial resilience.

STATEMENT OF FINANCIAL PERFORMANCE

Disclaimer: The Statement of Financial Performance is preliminary because Council is finalising its financial statements for the year ended 30 June 2026. Opening balances, depreciation and any audit-related adjustments may change the amounts presented for the period ended 30 September 2026.

	Annual Original Budget	YTD Original Budget	YTD actual	YTD variance $	YTD variance %

Cash Forecasting

The Department of Local Government, Water and Volunteers sustainability ratios require that the Council maintain a minimum liquidity of four months' operating cashflows. The Council has based the monthly cashflow projections on the 26/27 Original Budget projections. Grant revenue has been forecasted based on the expected timing of funds receipt as per funding agreements. September figures reflect actual cash balances.

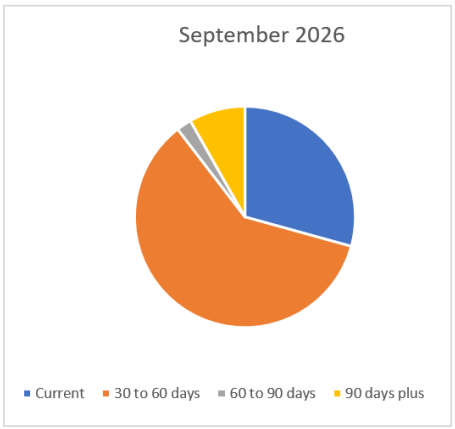

Current balance September 2026 – Overall Cash Balance - $37.8M – Unrestricted Cash - $20.8M

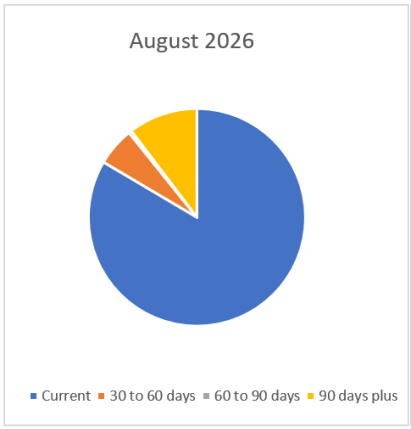

Although the total cash balance is currently $37.8 million, a substantial proportion relates to restricted grant funding received in advance for specific capital projects. These balances are not available to support general operating activities and therefore do not fully reflect Council's underlying unrestricted liquidity position. If current trends continue, Council's financial flexibility to respond to emerging operational, infrastructure and community service requirements may become increasingly constrained.

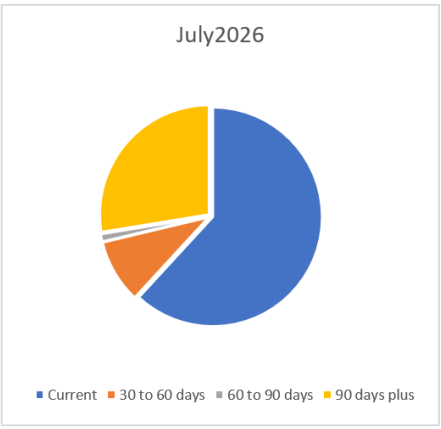

Note: Unrestricted cash figures are currently based on estimates pending finalisation of end-of-year processes and will change.

Payroll Analysis

Grant Analysis:
Refer to the 'Funding Acquisition Report' by Corporate Services.

Capital Works Program:
Capital works expenditure remains below budget year to date, primarily reflecting delays in project delivery arising from workforce shortages, contractor availability constraints and the logistical challenges associated with operating across a remote and geographically dispersed region. These delays have impacted the timing of planned capital expenditure and the recognition of associated capital grant revenue.

Continued delays may affect project completion timelines, future grant acquittal milestones, and Council's ability to realise the benefits of funded infrastructure investments fully. While funding remains available for several projects, delivery capacity remains a key constraint affecting capital program performance.

Management continues to prioritise the delivery of funded projects, actively monitor resource availability and pursue strategies to improve project delivery outcomes. This includes ongoing management of workforce and contractor capacity, project prioritisation and close monitoring of grant-funded milestones to minimise acquittal risks, optimise funding outcomes and strengthen overall capital program performance.

Refer to Appendix B for Monthly progress and overall program performance - per type of asset.

Masig Statement:	N/A				
Standing Committee Consultation:	N/A				
Timelines:	At a local government meeting once a month.				

Other Comments:

Inflationary pressures continue to impact a range of Council's key cost drivers, including fuel, freight, materials, contractor services and general operating expenses. Fuel price volatility remains a particular concern, contributing to increased service delivery costs, supplier price increases and ongoing pressures within Council's fuel delivery operations. These cost increases continue to place pressure on Council's operating position, particularly where available funding and revenue growth have not kept pace with rising expenditure.

In response, Council continues to advance advocacy initiatives with State and Federal Government stakeholders on the long-term sustainability of current funding arrangements. Management has identified and presented a range of advocacy opportunities to support the continued delivery of essential services across Council's communities. The next phase will focus on progressing these initiatives and undertaking a comprehensive review of service delivery costs and funding requirements.

Given ongoing financial pressures, Council will need to maintain a strong focus on expenditure management, prioritising core services, delivering funded infrastructure programs, and identifying efficiency improvement opportunities. Continued review of service delivery models, cost recovery opportunities and resource allocation will be critical to strengthening Council's unrestricted cash position and supporting long-term financial sustainability.

Comments:
Unfavourable Operating Result:
The revenue is slightly higher then budgeted due to higer volume of works completed, majority of the unfavourable operating result is primarily due to recurrent expenditure being above budget, reflecting high contractor and job-related costs recognised during the period.
Unfavourable Net Result:
The unfavourable net result is mainly attributable to the unfavourable operating result and capital revenue being below budget due to the timing of capital works and revenue recognition. Expenditure levels will continue to be reviewed against completed and billable works.

Corporate Services

Key Financial Results	Annual Budget $	YTD Budget $	YTD Actual $	YTD Variance $	YTD Variance %	Status
Recurrent revenue	241,000	60,250	16,632	(43,618)	-72.4%	
Other income	10,000	2,500	31,453	28,953	1158.1%	
Recurrent expenditure (excl. depreciation)	(4,558,630)	(1,130,665)	(690,428)	440,237	38.9%	
Operating surplus (exc. Depreciation)	**(4,307,631)**	**(1,067,915)**	**(642,343)**	**425,572**	**39.9%**	
Capital revenue	0	0	0	0	0.0%	
Capital expenses	0	0	0	0	0.0%	
Net result (excl. depreciation)	**(4,307,631)**	**(1,067,915)**	**(642,343)**	**425,572**	**39.9%**

Net result	**(43,489,313)**	**(9,563,365)**	**(168,073)**	**9,395,292**	**98.2%**	

Comments:

Favourable Operating result:
Recurrent / Other Revenue -Commercial property rent is under budget YTD due to timing of invoices. Grant revuene recongnition is down by $850k but payments are expected to be received in October. Accomodation revenue is higher than budgeted YTD.
Recurrent expenditure - overall expenditure is lower then budget due to vacant positions but major impacts on the expenditure include Subsidy helicopter charters which are $110K higher than budgeted and high internal repairs and maintenance expense. The purchase of powercards is high in September.
Favourable Net result:
The timing of capital works has caused capitial revenue to be less than YTD budget.
Depreciation Expense - not processed YTD due to assets module in TechOne being unable to be rolled onto the 26/27 year until QAO sign off the 2025-2026 accounts.

Financial Services

RESOLUTION TO CLOSE THE MEETING TO THE PUBLIC

OFFICER RECOMMENDATION:

Council resolves to close the meeting to the public pursuant to section 254J of the *Local Government Regulation 2012* to allow the Council to discuss the following items.

1. **Under section 254J (e) - Chief Executive Officer update on current legal matters**
2. **Under section 254J (g) - Delegated Contract Approvals Report - At its meeting in June 2024, Council resolved to direct the CEO to provide a quarterly report to Council on all contracts valued at or above $200K that were entered into under delegation. This quarterly report relates to the period from 1 July 2026 to 30 September 2026.**
3. **Under section 254J (g) - Capital Works Info Report - The Engineering Department's Capital Works team is managing the delivery of the attached summary table of capital works projects. This report provides status update on some of Council's key capital projects managed by the Engineering Services Capital Works Team**

EXECUTIVE SUMMARY:

A local government meeting is open to the public unless the local government or committee has resolved that the meeting is to be closed.

Section 254J of the *Local Government Regulation 2012* allows the Council to close its meeting to the public to discuss one or more of the following matters:

(a) the appointment, discipline or dismissal of the chief executive officer;
(b) industrial matters affecting employees;
(c) the local government's budget;
(d) rating concessions;
(e) legal advice obtained by the local government or legal proceedings involving the local government including, for example, legal proceedings that may be taken by or against the local government;
(f) matters that may directly affect the health and safety of an individual or a group of individuals;
(g) negotiations relating to a commercial matter involving the local government for which a public discussion would be likely to prejudice the interests of the local government;
(h) negotiations relating to the taking of land by the local government under the *Acquisition of Land Act 1967*;
(i) a matter the local government is required to keep confidential under a law of, or formal arrangement with, the Commonwealth or a State;
(j) an investigation report given to the local government under chapter 5A, part 3, division 5 of the Act.

Section 254J(6) of the *Local Government Regulation 2012* stipulates that a local government or a committee of a local government must not make a resolution (other than a procedural resolution) in a local government meeting, or a part of a local government meeting, that is closed.

ITEMS ARISING

OFFICER RECOMMENDATION:

For Council to formally resolve to consider those items arising after the agenda for the meeting has been made public.

EXECUTIVE SUMMARY:

Section 254D(4) of the *Local Government Regulation 2012* allows for a local government or a committee of local government to discuss or deal with (at any meeting) items arising after the agenda for the meeting has been made available to Councillors.

Standard practice is that business not on the published agenda, or not fairly arising from the agenda, should not be considered at any local government meeting unless permission for that purpose is given by the local government at the meeting *(Source: TSIRC Standing Orders Policy – August 2024)*

Council will need to make a formal resolution to consider/discuss any items nominated for this agenda item.

DIRECTORATE: *Building Services*
AUTHOR: *Executive Director Building Services*

BUILDING SERVICES REPORT (September 2026)

OFFICER RECOMMENDATION:

Council resolves to note the Building Services Report for September 2026.

EXECUTIVE SUMMARY:

This report provides an overview of the ongoing activities carried out by the Building Services Unit (BSU) during the reporting period of September 2026.

INTERESTED PARTIES/CONSULTATION:

- Building Services Executive Director
- Building Services Management
- Business Services Accountant
- Building Services Construction Software

Upgrade & HO Program:

BSU continues to initiate the delivery process for this financial year, Upgrade Works & Home Ownerships. Regular meetings continue with funding partners and are being held to address challenges related to high delivery costs, extended timeframes for project completion, and tender awarding.

Current Status (as of 30 September 2026)

Upgrade and HO Program - Revenue Comparison Sep

2024/2025	2025/2026	Variance
$ 4,479,793.15	$ 4,218,275.80	-$ 261,517.35

The above figures are based upon actual invoices and do not include accruals.
(without capitalisation)

Priority Upgrade works, in the HWS, Stove replacements, Vacant and Dis-Mod (OT) work types, has been initiated for enhanced visibility and priority actions.

Strategies are continuing the implementation of planning for the delivery of the NAHA Upgrade program and Home Ownerships. These strategies encompass:

- Reviewing contractors' existing workloads
- Prioritising essential works

- Conducting bulk tendering for all upgrades in each community
- Reviewing and modifying contracts to mitigate risk to TSIRC (e.g., material, freight, flights, etc.)

Currently TSIRC BSU continue to meet with funding partners to discuss the delivery of services and upgrades and the slow transitioning of approvals which impacts workloads and increases costs both by contractor and BSU staff – no resolution to date.

R&M Program:

The realignment of the Tier 1 stream has continually improved service delivery to our customers and most importantly our communities. This reshape has also led to increased revenue for TSIRC and decreased delivery timeframes.

As of 30 September 2026, there is a backlog of maintenance work comprising of approx. 571 tasks with a total value of approximately $1.4 million that has been pending for over 30 days.

Current Status (as of 30 September 2026)

R&M Program - Revenue Comparison Sep

2025/2026	2026/2027	Variance
$ 5,330,015.23	$ 2,788,366.74	$ 2,541,648.49

The above figures are based upon actual invoices and do not include accruals.

Dept of Housing has continued to bank non essential maintenance requests (not releasing to TSIRC) which is impacting work for our contractors and TSIRC trade staff that is based locally within the remote isolated communities. We have continued to follow up with the Dept of Housing with several letters from the CEO to the DDG and with Cr Fell and the ED of BSU and Communities, meeting face to face with Dept of Housing (on a monthly basis) to express and identify the urgency to release this banked maintenance works as it affects employment, community liveability and requests from tenants to reduce rent due to maintenance requests not being addressed.

Our social housing infrastructure is becoming aged and therefore requires increased maintenance/upgrades to maintain to a liveable and safe standard – TSIRC has expressed concerns to Dept of Housing and the need to work in partnership to develop communication protocols to our 15 divisions to address community frustration. To date Dept of Housing continue to work in silo!

Housing Investment Plan (Capital Housing Program) - $14.4M:

Stage 1 funding was released on September 27, 2022. In October 2023 Council resolved to deliver the program through a staged approach and in partnership with QBuild. Working closely with Community Services and identifying the priorities for deliveries (domestic violence, disability services and overcrowding) the Communities of Erub, Iama, Mabuiag, Saibai and Warraber have been identified as priority 1.

Both Mabuiag residences were delivered 19 May 2026 with installations, site completion of all works (excluding minor defect) was completed 31 July 2026 with permission to occupy granted week ending 07 August 2026. Official opening ceremonies conducted on Wednesday 22 July.

Additionally, as per the resolution passed in October 2023, CEO has delegation and approved a variation to construct 3 x new dwellings on Badu to ensure funding milestones are met and TSIRC does not lose the funding.

Costs have increased significantly with the proposed new Modern Methods of Construction (MMC), BSU has reached out to several private MMC's contractors to build partnership and explore options

to reduce costs. These costs have exceeded remaining budget and TSIRC and Dept of Housing met on 14 August on Mabuiag to advocate for increased funding.

TSIRC has also raised with Dept of Housing the need to partner together to develop a rolling program and ensure a Economy of Scale approach to ensure we are getting value for money and not what is currently happening with the small release of funds to deliver two social housing assets than further funding released.

Business Relationships:

Meetings between BSU and key stakeholders (QBuild) continue on a weekly basis.

TSIRC BSU and Communities are working together in partnership to improve the delivery of service to our communities to ensure we are improving the livability within each Division.

Logistics:

TSIRC Contract documentation continually reviewed and updated to establish contractor accountability for the projects they undertake. Timely project delivery is a priority for TSRIC.

Reviewing current reporting processes to streamline and further reduce risk to TSIRC.

DIRECTORATE: *Community Services*
AUTHOR*: Head of Community Services*

COMMUNITY SERVICES – INFORMATION REPORT

OFFICER RECOMMENDATION:

That Council notes this report.

EXECUTIVE SUMMARY:

To provide Council an update on the functional areas within the Community Services department for activities undertaken between 11 September 2026 – 9 October 2026. The officers' comment in this report provides an outline of key strategic and operational activities, including notable and significant work for Community Services during reporting period.

Background / Previous Council Consideration:

From a combination of councils' own-source and external-source funding, the Community Services department delivers a diverse range of programs including:

- Community Care (child, aged and disability)
- Environment and Health
- Health and Wellbeing /Indigenous Knowledge Centre
- Housing Services
- Operation of Divisional Offices
- Events Coordination

Officers Comment:

Strategic: Key strategic items of significance are outlined below. These tasks are usually led by Executive Director and Head of Community Services.

- **Environment and Health matters**
  - Work in progress - scoping for engagement of consultant to develop animal management plan for Badu community and audit of Councils Animal Management Program. Head of Community Services working with Cairns Tropical Public Health Unit on funding submission to utilize funding from the ATSIPHP Funding.
  - Consultation on the Community Environmental Health Plans will commence at the beginning of 2026-27 Financial Year.
  - Council was successful with continuation of funding for Fighting Illegal Dumping Partnership Program.
- **Housing Matters**
  - There are currently various housing matters that are ongoing which have been escalated to the Executive and Head of Community Services for direction. These matters are of a sensitive nature which requires consultation with PBC's and/or directly with tenants.
    - Head of Community Services and Manager Housing to coordinate travel and visits to

all divisions, to deliver housing information sessions on Councils Housing Policies with tenants in 2026-27 FY.

- **Health and Wellbeing | IKC**
    - Ongoing collaboration with TCHHS and CEQ to strengthen partnerships, improve service delivery to achieve positive health and wellbeing outcomes for the communities.
    - Procurement of 3 mobile IKC's (Digital Hubs) completed, awaiting delivery to Saibai, Mer and St Pauls, set up for of the IKC (Digital Hub) at Masig was completed Wednesday 9 September 2026.
    - Ongoing discussions between Executive Director Comm Services, Head of Community Services, Manager Health Wellbeing/IKC and State Library Queensland regarding partnership and new Service Level Agreement, and reviewing the TSIRC Model for its IKC network under the upcoming funding agreement (2027-2030)
- **Events and Engagement**
    - Work in progress Project Plan for implementation of QR Code – Visitors Sign In - this will enhance to have a more effective and efficient process for visitor management.
    - Future events – Kubin and Masig Basketball Court official opening; Iama Seawall Opening; 90 Year Anniversary of First Councilors Meeting at Masig (2027)
    - Iama Seawall Official Opening

- **Climate Resilience Project**
    - Climate Resilience Project Team continues to focus on project planning, coordination to support implementation of climate resilience education and awareness across the divisions, with a strong focus on the CHAS Action plans.
    - An application under the QCoast2100 Program for the Masig Beach Nourishment was submitted awaiting confirmation on status of application.

- **Childcare | Aged Care**
    - Aragun Childcare Centre is temporarily closed for upgrade, **closure dates Friday 10 July to Friday 4 December 2026.**
    - Continued engagement with the office of Early Childhood Education and Care (ECEC) regarding regulatory requirements associated the with temporary closure arrangements and future operational planning.
    - Review of Aged Care Policies, procedures, forms, and operational practices is ongoing to ensure alignment and compliance.
- **Divisional Administration**
    - Regional Managers, Divisional Managers are working very closely with Economic Development & Strategic Projects Advisor on the Accommodation Project which was initiated through the Sustainability Committee.

Operations: An overview of items of importance by each team on operational matters. Further details can be provided upon request.

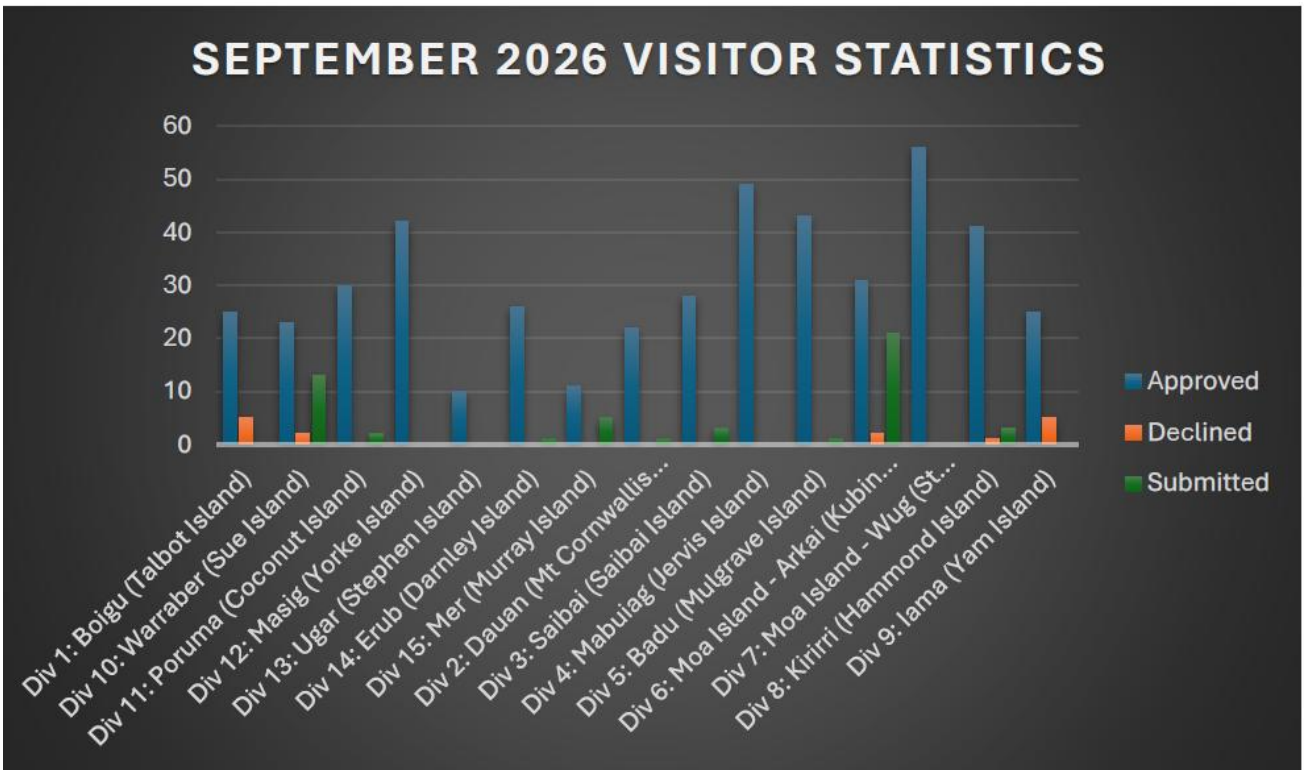

- **Housing**
    - Total housing Application increased to 565 (total in region and external to region) representing – Category 1 – 94; Category 2 – 362; Category 3 & 4 109 combined.
        - 01 new housing applications was received since last housing report submitted for

September OM.

- Consolidated Housing Collection Rate reached 90**%.** Regional Average is 90%.
- Housing team is working extensively to ensure that rental collection remains above average.
- Regular meetings between EDCS, HOCS, and Housing Management Team to discuss outstanding housing tenancy matters.

- **Climate Resilience Project**
  - Climate Resilience Project Officers will attend the QCoast2100 10th Knowledge and Information Sharing Forum at Cairns 10-12 November.
  - Team continues to work closely with Councils' Environmental Engineering identifying projects and potential funding through QCoast2100 Program and other funding opportunities for projects to be implemented under the Climate Resilience Project.

- **Events | Engagement**
  - Divisional Engagement Funds are currently available to support community-led initiatives, cultural events, and activities in communities. There were 2 Applications received for the month of September.
  - Visitor Dashboard – September 2026
    - Total Visit request submitted: 527.
    - Total applications: 247
    - Total approved: 217
    - Total declined: 5
    - Total (pending approval/declined): 25

- **Health and Wellbeing | IKC**
- Manager and IKC Coordinator (Warraber) was successful for the Library Leaders Program
- Since HLO Training with Qld Health on reduce tobacco and vaping in communities, increased health promotion activities have commenced in communities.
- Ongoing - Manager continues to have discussions with strategic planning sessions with IKC and HLO Senior Staff to discuss key areas including the operating model, standards, and expectations.
- Data for IKC and HLO Program Delivery has been of a high standard for the month of September.

- **Environment and Health**
- Council continues to provide support to EHW for training to ensure they carry out their duties in line with legislative requirements.
- Exotic Fruit Fly continues to be an issue at Badu; however, numbers are significantly decreasing. DPIT, EHW NAQs and Crystal Ailan are working together to try and further decrease the Fruit Fly numbers.
- Kiriri EHW still utilising TSRA Rangers pig trap trying to catch feral pigs and has been successful in trapping pigs and euthanising them
- Badu EHWs working collaboratively with TSRA Rangers as there has been an increase of marine waste (dugong & turtle) being dumped illegally around the community – numbers of illegal dumping has decreased

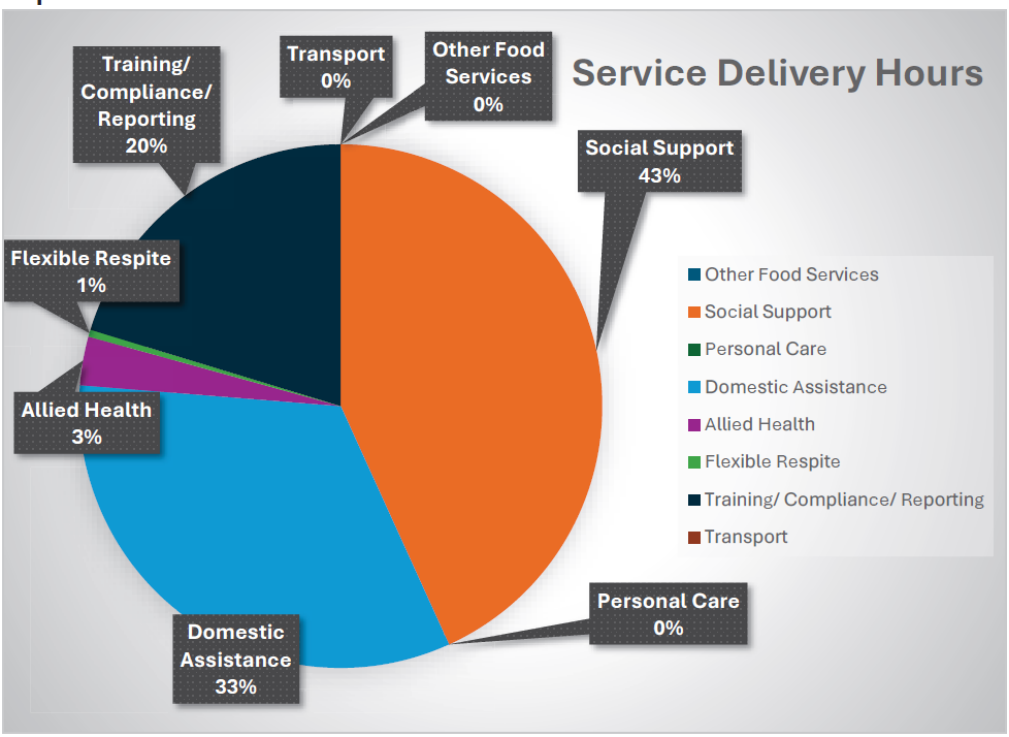

- **Aged Care and Childcare – (Actual service data was not available at the time of preparing the report)**

  Work activities - Aged Care

  - Aged Care Program continues to adjust to the new Aged Care Act and strengthened Age Care Quality Standards, which has increased compliance reporting, and operational responsibilities across the service.
  - Maintain sustainable Aged Care service delivery continues to be challenging due to increasing workforce shortages and growing compliance obligations.
  - Number of CHSP Consumers for month of September was 32; there were no new consumers or consumers on waiting list.

Service Delivery Hours for Aged Care:

September 2026

Work activities for Childcare

- Continued coordination and oversight of operations for both Aragun child Care Centre and Hammond Island OSHC to maintain service continuity and compliance with regulatory requirements.
- Continued engagement with office of Early Childhood Education and Care (ECEC) regarding regulatory requirements associated with temporary closure arrangements and future operational planning.

Divisional Administration

- Head of Community Services continue to work with Regional Managers and MSAO based at St Pauls to ensure that Divisional Stock Reconciliation and Accommodation Reconciliation are completed in a timely manner and Divisional Operations are operating efficiently.
- Regional Manager, Divisional Managers are working very closely with Economic Development & Strategic Projects Advisor on the Accommodation Project which was initiated through the Sustainability Committee.
- Regional Managers are working with Training and Organisational Development to determine training requirements for cleaners and MSAO for the 2026-27 FY
- Data – Traditional Visits for the month of September 2026.

DIRECTORATE: CORPORATE SERVICES
AUTHOR: *Executive Director Corporate Services*

CORPORATE SERVICES: INFORMATION REPORT - SEPTEMBER 2026

OFFICER RECOMMENDATION:

Council notes and receives the Corporate Services Information Report for the month of September 2026.

EXECUTIVE SUMMARY:

To provide Council with an update on the functional areas within the Corporate Services directorate and project progress for the month of September 2026.

INTERESTED PARTIES/CONSULTATION:

Corporate Services Managers

REPORT:

The Corporate Services directorate delivers a diverse range of internal and external services. A snapshot of work undertaken as well as operational highlights for the month of September 2026 are outlined below:

❖ Communications

- Continued drafting of final articles for TSIRC 2025-2026 annual report.
- Collaborated with LGAQ for the 'Councils are your everyday' campaign.
- Contributed to organizing on the 2-day climate forum for the Torres Strait and Northern Peninsula Area Climate Alliance Forum.
- Social media and website traffic reports included as attachment.

❖ Economic Development & Special Projects

Accommodation Project

- Housekeeping standards: Checklists have been trialed successfully. Next steps are rolling them out, training cleaners and introducing regular quality checks.
- Housekeeping communication: Working on making communication around guest arrivals, departures and room availability more consistent, including daily run sheets for cleaners.
- Check-in improvements: Welcome letter drafted and island maps prepared for review. Lockboxes will be purchased where needed to make after-hours access easier.
- Cancellation policy: Drafted terms and conditions, which are now waiting for review.
- Booking templates: Drafted booking confirmation and quote email templates, also waiting for review.
- Guest laundry: Ordering signage to let guests know when there are laundry disruptions.
- Key management: Key audit is finished. Waiting on budget confirmation to work out how many divisions can be updated.

Fuel & Fleet

- Ordering process: Fuel ordering has been streamlined, and reviewing the gas ordering process ahead of the move from Sea Swift to Elgas.
- Fuel losses: Working on developing a process to investigate fuel losses and identify potential causes of discrepancies.
- Stock reconciliations: Reconciliations are now being done through Compac, reducing the need for manual processing.

Maritime Fees

- Fee structure review: Data being reviewed to inform a proposed new fee structure.

Building Services Software Implementation

- Procore to TechnologyOne: This has focus over the past month, with the Procore licence expiring at the end of October. Activities include testing, preparing for data migration, resolving issues and coordinating contractor onboarding and communications ahead of go-live.

Economic Development Strategy – Phase 2

- Report development: Continuing to work with EMVER to get the Phase 2 report to draft stage, following the stakeholder engagement sessions across the Island Divisions.

❖ Fuel & Fleet

- Consultation with staff regarding functional transition to Building Services.
- Sourcing of used Backhoe Loaders for acquisition for Engineering.
- Arrangements for 3rd round Mechanic visits to Divisions.
- Business improvement is ongoing to drive more efficient administrative and automatic processes.

❖ Governance, Risk & Legal

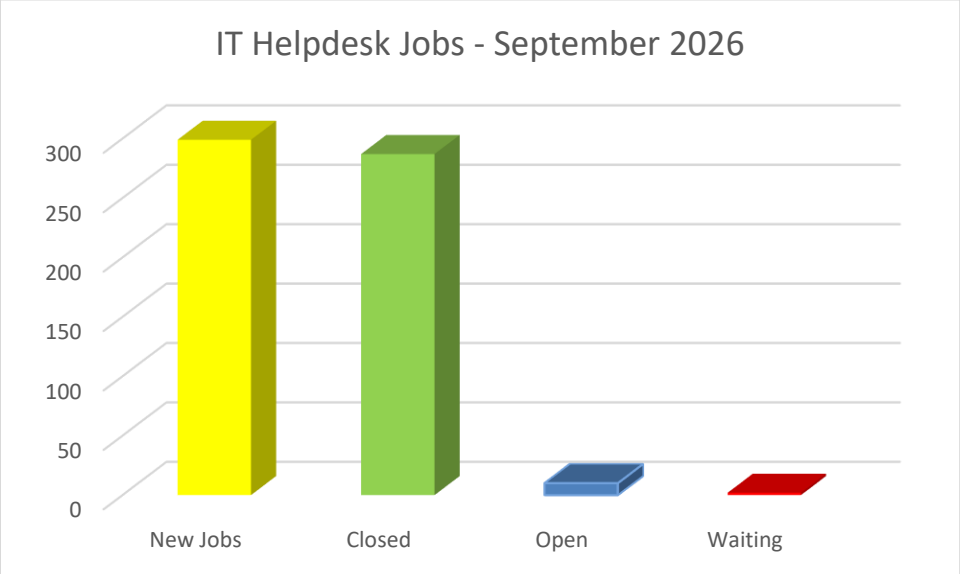

- Risk Management Gap Analysis Policy and Framework continues to be progressed.
- Risk Management system review ongoing – potential cost saving with consolidation of risk systems.
- LGM Risk Self-Assessment has been completed and submitted. Council now awaits the final report and recommendations to inform the next cycle of risk improvement actions.
- Council Policy review project continues to progress. A best-practice approach to the policy review process is being undertaken with implementation to support a more consistent and coordinated approach to reviewing overdue policies.
- New format for Operational Plan quarterly reporting has been developed and demonstrated to SARG which provides for more effective reporting on progress of deliverables of plan.
- 70% of license agreements for commercial revenue are processed. Forecast revenue for 2026-2027 is $2.98M.
- TSI Flag requests for September 2026 = 6/52 year to date.
- Complaints summary

EDCS	Active 38/6	CEO	Active 3/0

❖ Information Technology Services

- Network penetration testing – engagement of an ethical external party to undertake this testing has been progressed.
- Hammond Island office connectivity issues – still not resolved during September 2026, rectification is ongoing.
- Improved business efficiency for digital signatures is under investigation.
- Divisional disaster communications solutions – all divisions now complete except for Boigu.
- Helpdesk

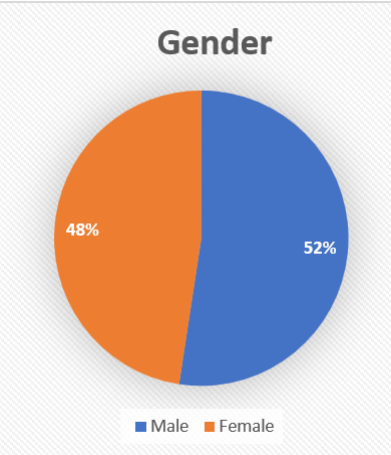

During September 2026, 299 new IT Help desk tickets were created. Of these, 264 were closed and 1 remained open and 7 in a waiting state.

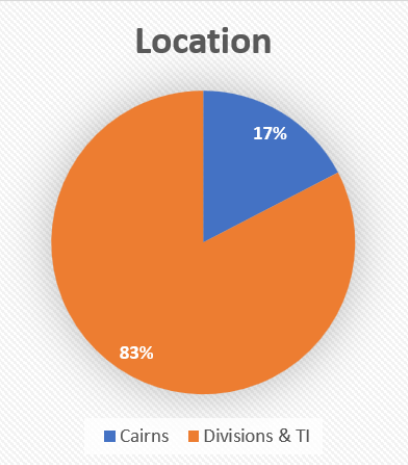

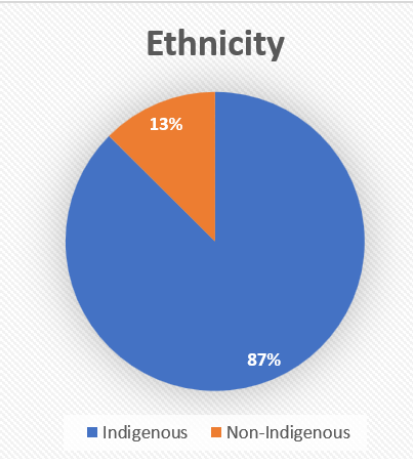

❖ People, Wellbeing, Recruitment & Safety

Employee Statistics

As of 30 September 2026, Council has a total of 351 employees, with 307 of them being Indigenous, representing 87% of the workforce. The graph below provides additional insights into key employee statistics within the Council.

Recruitment

Successful Appointments in September: Total [7]

Safety and Wellbeing

System Improvements

- **Project: Mango Risk register and systems application realignment**. Ongoing system review with the two contractors (Mango and Risk Ware) around their systems capabilities, training, support, Councils monthly/ yearly subscription costs for the applications. Most importantly, the end users ease of utilising the system and uploading the required information. Working with risk management officer to compare all these functionalities prior to drafting a report for consideration of change to the ELT.

- **Safety and well-being team Project:** Team is visiting divisions of St Pauls, Kubin and Badu running training courses on Psychosocial Risk Management (required under legislation), Fitness for Work, Driver Safety, Mango Training, Tribal Habits and Fatigue Management to the workforce. This is part of the gaps identified in the LGW audit requiring actioning.

- **HSR Committee meeting Project:** People, safety and wellbeing met with the HSR Chairperson and discussed and provided the drafts of the proposed changes to the Terms of Reference document, action tracker and meeting agenda. These 3 items have been endorsed by the Chairperson, now forwarded to all HSR's for review and consultation process prior to the next HSR Committee meeting.

Policy Development & Review

- SWMS for the handling of sharps has been developed, reviewed and now approved for use. Sharps handling kits already in divisions for use if items are discovered. Additional one-on-one training and SWMS review with the required workforce will be undertaken.

Workers Compensation

- No current or ongoing Workers Compensation claims this month.

Monitoring, Review & Continuous Improvement

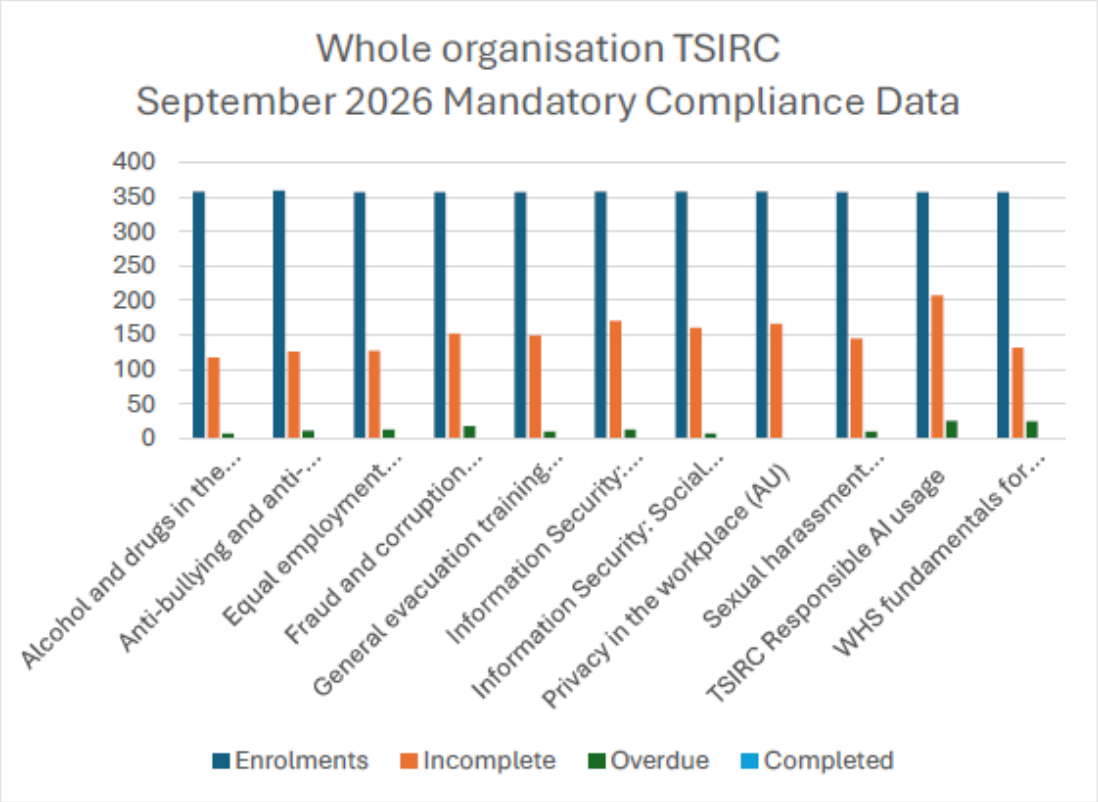

- Continuous review of the Mango system this month and 16 events, some long overdue in nature, have been reviewed and closed out.

- Additionally, all overdue items within Mango have been reviewed and information sort to enable the event to be closed.
- Working with the parties on division to understand the minimum requirements for entering the accident/ incident and developing a small cheat card for these details and 'A how to for the workforce' entering details into Mango. This will be shared with the divisional managers and HSRs for peer in October.

Organizational Development

- Development of training tools for visit to divisions for training on Safety and Psychosocial.
- Housekeeping of eLearning system being undertaken.

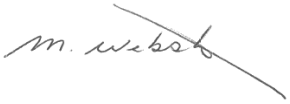

The following data represents the month of **September 2026**:
BY Whole Organisation and Departments.

Learning and Development

- Diploma of Leadership and Management completed by Divisional Manager.
- Training in Procurement Advanced delivered to Building Services.
- Microsoft Office training provided to various staff in Word, Excel, Outlook and PowerPoint.
- IKC Coordinator, Poruma has successfully gained a place in the Library Customer Service Excellence Program offered through State Library of Queensland.
- Work experience Year 11 students hosted during September School holidays at Badu and Murray within Engineering Services.
- Funding has been successful through the Department of Trade, Employment and Training First Start 2026-2027 initiative. Funding will provide for employment of one apprentice in Engineering Services and one trainee in Community Services.
- HSR initial and refresher training has been completed at Mabuiag and Badu.

Last week, our Environmental Health Workers (EHWs) completed their Certificate III in Indigenous Environmental Health! 🎓 Nine EHWs from Erub, Masig, Mabuiag, Badu, Poruma, Kirirri, Dauan and St Pauls travelled to Cairns to complete the final block of their qualification. The course focuses on areas including testing community water supplies, managing rubbish, pest control and supporting healthy housing. This Certificate III is a requirement for EHWs. It makes sure they have the knowledge and skills to carry out essential work in community. Big eso to all our EHWs for your hard work and commitment throughout your training! 👏🏽 #TSIRC #TorresStrait #EnvironmentalHealthWorkers

In support of R U OK? Day and World Suicide Prevention World Day, we're opening up an important conversation about mental health in our communities. Elijah Mackie, Program Officer at Cairns and Hinterland Hospital and Health Service, shares part of his own mental health journey and how seeking support can save lives. His story is a reminder that mental health struggles can affect anyone, and that asking for help should never be something we feel ashamed of. Sometimes, supporting someone starts with simply asking, "Are you OK?" — and being prepared to really listen to the answer. If you or someone you know is struggling, support is available: Lifeline (24/7) 13 11 14 | lifeline.org.au Beyond Blue (24/7) 1300 224 636 |

Aken Baragud and Marcus Warusam represented TSIRC at the Water Industry Operations Association of Australia (WIOA) 2026 in Newcastle. The opportunity came after Aken and Marcus presented at the Queensland Health Indigenous Local Government Drinking Water Symposium 2026. Their presentation came in second place. For the prize, they received a sponsored trip to the WIOA 2026 conference, where they presented again. They shared their story about the challenges of water management and security in the Torres Strait. This included discussing the challenge of working remotely and under extreme weather conditions like drought or monsoonal rains. We're proud to see Aken and Marcus representing our region and sharing the

🏠 TSIRC CEO takes Mabuiag housing lessons to ALGA A few weeks ago, TSIRC CEO James William attended the Australian Local Government Association (ALGA) 2026 National Local Roads, Transport and Infrastructure Congress. The CEO spoke about the delivery of two new homes in Mabuiag and the challenges of delivering housing across our remote island communities. These include high delivery costs to remote areas, labour shortages and delays caused by weather conditions. He highlighted that housing demand is escalating, while housing needs are diverse and land availability is a critical constraint. This is why we recognise the importance of co-designing homes with community members. Homes that suit our way of life and are built to last in our

Members of the Strategic Action Reference Group (SARG) attended workshops in Cairns this week. SARG includes the Mayor, Deputy Mayor and the chairs of the five advisory committees. One of the key highlights was completing new mandatory training on legislative changes that took effect on 1 July. These changes affect how Councillors manage Conflicts of Interest (COIs) along with other processes. Senior executive staff also completed the training. This will help them better support elected members in their roles. Fun fact: Our SARG Councillors are the first in Queensland to complete this training! These workshops play an important role in supporting our Councillors and strengthening Council governance. #TSIRC #LocalGovernment #QLDGov #TorresStraitIslands

DIRECTORATE: *Engineering Services*
AUTHOR: *Acting Manager Engineering Operations*

ENGINEERING SERVICES: INFORMATION REPORT – ENGINEERING OPERATIONS

OFFICER RECOMMENDATION:

That Council notes this report.

EXECUTIVE SUMMARY:

Council's Engineering Services is committed to undertake and deliver a range of operational and maintenance activities which provide high-quality engineering services, public facilities, and amenities, including but not limited to.

- Roads, drainage, and ancillary works.
- Parks, gardens, and reserves
- Water and Wastewater (Sewerage) operations/schemes
- Collection and treatment of solid waste
- Airport facilities
- Marine facilities
- Preparedness and Preparation for disaster events.

Interested Parties/Consultation:

Executive Director Engineering Services, Head of Engineering, Manager Engineering Operations, Manager Water & Environmental Engineering, Manager Capital Works, Divisional Engineering Officers

Background:

Division 1: Boigu
Operations

- Maintenance works completed on creek desal unit.
- Maintain runway strip grass, Gable and lights.
- Closely monitor and assist aerodrome apron upgrade works.
- Monthly boat ramp maintenance completed.
- Drainage works completed along seawall and near school.

Disaster Management

- Satellite Phone: Successful test completed
- HF Radio: Not tested
- Community Disaster Meeting Held – No
- Local Community Disaster Coordinator visit – No

Division 2: Dauan
Operations

- Currently on water restriction, staff closely monitor town flow.
- Roadside grass maintenance completed, currently in progress with drainage works.
- Maintenance work commenced on the two gazebos in conjunction with GBK.
- Service and maintenance work at water treatment plant.
- Monthly boat ramp maintenance completed.

Disaster Management
- Satellite Phone: Inoperable
- HF Radio: Not tested
- Community Disaster Meeting Held – No
- Local Community Disaster Coordinator visit – No

Division 3: Saibai

Operations
- Completed fire break around covered lagoon.
- Water restrictions currently on Level 4, Water officer closely monitor town flow.
- Grass maintenance and housekeeping completed at Water treatment plant.
- Monthly barge ramp maintenance completed.
- Roadside grass maintained and white, green goods collections.

Disaster Management
- Satellite Phone: Successful test completed
- HF Radio: Not tested
- Community Disaster Meeting Held – No
- Local Community Disaster Coordinator visit – No

Division 4: Mabuiag

Operations
- Instalment of new road signs.
- Monthly Barge maintenance completed.
- Maintain runway strip grass, gable markers and lights.
- Roadside grass maintained with assistance from local businesses.
- Desal unit service and maintenance work completed by Water Officer.

Disaster Management
- Satellite Phone: Successful test completed
- HF Radio: Not operational
- Community Disaster Meeting Held – No
- Local Community Disaster Coordinator visit – No

Division 5: Badu

Operations
- Assist Plumbing draining school septic tank.
- Maintenance works at the water treatment plant with the assistance from Northern Water.
- Maintain runway strip grass, cones and runway lights.
- Tended to few bush fire which was manageable by Engineering Team.
- Repair few potholes along centre village road (Baira, Tarol and Ahmat Yabu).

Disaster Management
- Satellite Phone: Test not completed. Equipment issue.
- HF Radio: Successful Test completed
- Community Disaster Meeting Held – No
- Local Community Disaster Coordinator visit – No

Division 6: Kubin

Operations
- Green waste completed.
- Airport grass maintenance completed.

- Airport line marking. 80% completed.
- Landfill maintenance
- Roadside grass maintenance.

Disaster Management
- Satellite Phone: Test not completed. Equipment issue.
- HF Radio: Not operational
- Community Disaster Meeting Held – No
- Local Community Disaster Coordinator visit – No

Division 7: St Pauls
Operations
- Portable Desal has been setup to increase low water level.
- Landfill gates have been ordered to install new fence at Landfill; work will be commenced once fence is received.
- Sewer pump station 1 is back operational and monitored for blockage.
- Community Hall yard maintenance completed.
- Landfill maintenance 50% completed, task will be completed once backhoe is operational.

Disaster Management
- Satellite Phone: Test not completed. Equipment issue.
- HF Radio: Not tested
- Community Disaster Meeting Held – No
- Local Community Disaster Coordinator visit – NA

Division 8: Hammond
Operations
- Barge ramp completed for October.
- General parks and gardens grass maintenance completed.
- Fire break sewer and Landfill completed.
- Green waste run completed.
- Drain maintenance completed.

Disaster Management
- Satellite Phone: Successful test completed
- HF Radio: Not operational
- Community Disaster Meeting Held – No
- Local Community Disaster Coordinator visit – No

Division 9: Iama
Operations
- Green waste collected completed.
- Airport Line marking completed.
- WTP housekeeping completed.
- Airport grass maintenance completed.
- SPS 1 and 2 housekeeping completed.

Disaster Management
- Satellite Phone: Successful test completed
- HF Radio: Successful test completed
- Community Disaster Meeting Held – No
- Local Community Disaster Coordinator visit – No

Division 10: Warraber
Operations

- Monthly water sample sent and passed.
- Airport line marking completed.
- STP main pump station monitoring due to pump faulty.
- Lay down area maintenance completed.
- Vehicle defect inspected and submitted.

Disaster Management
- Satellite Phone: Successful test completed
- HF Radio: Not operational
- Community Disaster Meeting Held – No
- Local Community Disaster Coordinator visit – No

Division 11: Poruma
Operations
- Boat ramp sand maintenance completed on regular basis.
- Daily Water operations completed.
- Daily Sewer operations completed.
- Covered lagoon water dam fenceline temporary fence mesh installed.
- Garbage collection including green waste completed twice a week.

Disaster Management
- Satellite Phone: TBC
- HF Radio: Not tested
- Community Disaster Meeting Held – No
- Local Community Disaster Coordinator visit – No

Division 12: Masig
Operations
- Runway line marking completed 100%
- Garbage and green waste collection completed twice weekly.
- Daily Water operations completed including water restricted timings of shut off and turn on of water supply.
- Daily Sewer operations completed.
- Daily Aerodrome inspections including RPT flight data completed.

Disaster Management
- Satellite Phone: Successful test completed
- HF Radio: Successful test completed
- Community Disaster Meeting Held – No
- Local Community Disaster Coordinator visit – No

Division 13: Ugar
Operations
- Daily Desal operations completed.
- Garbage and green waste collection completed twice weekly.
- Community grass maintenance all done.
- Landfill rubbish maintained

Disaster Management
- Satellite Phone: Test not completed. Sat phone is currently in Cairns.
- HF Radio: No Tested-Could note reach staff on ground
- Community Disaster Meeting Held – No
- Local Community Disaster Coordinator visit – No

Division 14: Erub
Operations

- Daily Water operations completed including water supplied to 5 houses on airport side.
- Garbage and green/white waste collection done twice weekly.
- Minor water leaks fixed around few areas of the community.
- Daily Sewer operations completed.
- Airport grass maintenance completed.

Disaster Management
- Satellite Phone: Successful test completed
- HF Radio: Not operational
- Community Disaster Meeting Held – No
- Local Community Disaster Coordinator visit – No

Division 15: Mer
Operations
- Landfill rubbish segregation completed.
- Airport grass maintenance completed.
- Daily Water operations completed.
- Daily Sewer operations competed
- Inhouse water sample testing-passed and entered into register.

Disaster Management
- Satellite Phone: Successful test completed
- HF Radio: Successful test completed
- Community Disaster Meeting Held – No
- Local Community Disaster Coordinator visit – No

Timelines:	

Other Comments:

8 September – Emergency Management and Coordination Group Training
Attendees: CEO – James William, Eng Exec - David Baldwin, Head of Eng - Adeah Kabai, Manager Eng Ops - Amanda Pearce, Environmental Engineer - Cassandra Bande and LCDC - Saintie Joe.
Key topics covered:
• Queensland Disaster Management Arrangements (QDMA)
• Emergency warnings and alerts

The session strengthened staff understanding of Queensland's disaster management framework and improved awareness of the systems and processes used to support preparedness, warnings and coordinated emergency response.

It also provided TSIRC staff with a valuable opportunity to connect directly with the EMCG team, clarify organizational roles and strengthen working relationships. Building these connections before an event will support faster communication, clearer coordination and a more effective regional response when emergencies occur.

12 September – National SES Challenge
Eng supervisor – Marcus Warusam and LCDC - Saintie Joe attended the National SES Challenge and hosted a learning stand and supported knowledge-sharing with emergency service participants.

ORDINARY MEETING
28 OCTOBER 2026

AGENDA ITEM
13.5

DIRECTORATE: *Engineering Services*
AUTHOR: *Senior Water & Wastewater Engineer*

ENGINEERING SERVICES INFORMATION REPORT – WATER AND WASTEWATER

OFFICER RECOMMENDATION:

That Council notes this report.

EXECUTIVE SUMMARY:

To provide Council with a status update of the water and wastewater scheme operations. This report contains additional details for communities with water security concerns.

Background:

Council is committed to undertake and deliver a range of maintenance, operations and planning activities associated with Council's water and wastewater schemes. This includes but is not limited to:

- Maintaining an adequate and safe potable water supply for the communities, which meets Australian Drinking Water Guidelines and regulatory requirements.
- Effective operation of the water treatment plants, water storage lagoons, reservoirs, water reticulation and associated plant and equipment.
- Effective operation of the wastewater treatment plant, pumping stations, sewerage reticulation and associated plant and equipment.
- Promoting the importance of water conservation to the community and promoting the importance of clean, safe water supply as an essential aspect of community wellbeing.
- Planning for and seeking future funding to ensure the security and reliability of water and wastewater services.
- Undertaking effective preventative and emergency repairs as required to ensure system reliability for both water and wastewater operations.

Interested Parties/Consultation:

- Engineering Staff
- Councillors as appropriate
- Regulators
- Funders

COMPLIANCE / CONSIDERATIONS:

Statutory:	• Water Supply (Safety and Reliability) Act 2008 • Public Health Act 2005 • Environmental Protection Act 1994
Budgetary:	If an asset is being proposed (expenditure >$10,000) whether there are capital funds available. For Operating costs - If resources are required to be spent whether the operating funds are available.
Risk:	Detail risk management process planned to be undertaken, key identified risks and how these risks are proposed to be managed.

	Include financial risk, technical risk, reputational risk, legal risk, participation, and completion risk and or political risk.
Links to Strategic Plans:	Corporate Plan 2025-2030: 2.1 Provide safe and reliable drinking water Operational Plan: Objective No. 47 Sustainable Water and Wastewater Management Project.

Other Comments:
Please refer to the Monthly Water and Wastewater Report attached for September 2026.

MONTHLY WATER & WASTEWATER REPORT

September 2026

Author	Reviewer	Revision	Date
Cale Murphy	Emma Evans		12/10/26

Status of Water Alerts

Kubin

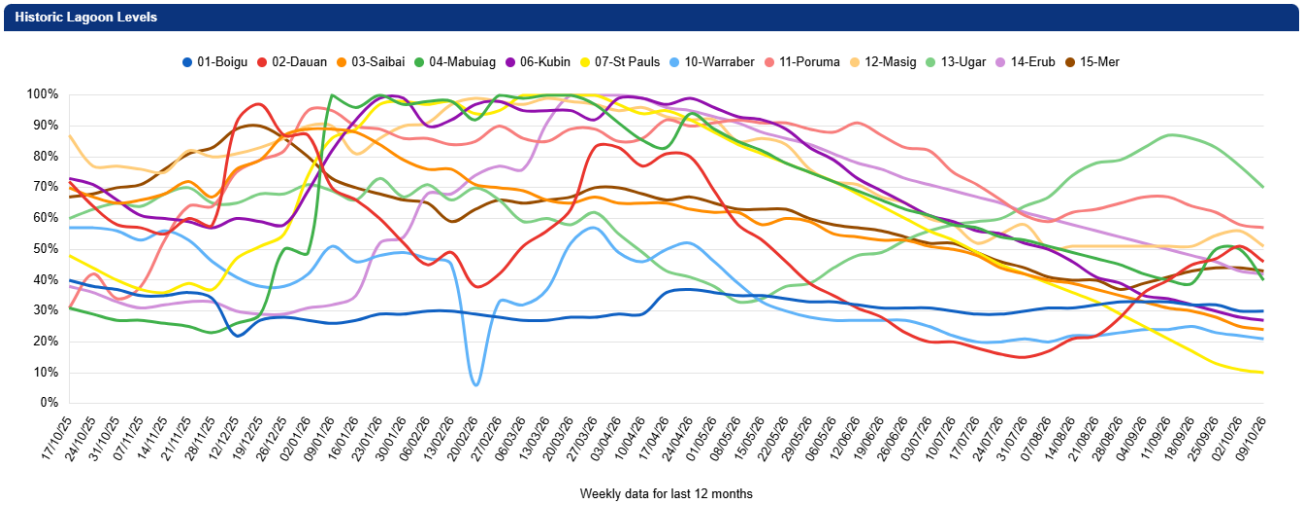

A Boil Water Alert (BWA) was issued on 22nd December 2025, due to equipment failure not allowing continuous dosing of chlorine. On-ground resourcing constraints have delayed lifting the BWA, however this is being progressed.

St Pauls

A Boil Water Alert was issued on 7th October 2026, due to low chlorine resulting from a power outage. This BWA will be lifted on the successful completion of an in-house and Cairns NATA Laboratory E. coli testing.

WATER SECURITY UPDATE

Water restrictions have been implemented in several communities to safeguard the water supply.

Water security information as of Monday 12th October 2026 is summarised below.

Community	Water remaining	Primary Issue	Work being done to address security
01 – Boigu	6+ months' supply	Network/property leaks and high groundwater table	Level 4 Water Restrictions – Water available between 07:00-08:30, 12:00-13:00, and 16:00-19:30 only. Repairs completed on the desalination units to improve lagoon levels.
02 – Dauan	3+ months' supply	Network leaks	Level 3 Water Restrictions – Overnight Flow Reduction and no outdoor use. Emergency desalination unit running.
03 – Saibai	3+ months' supply	Network/property leaks	Level 4 Water Restrictions – Water available between 07:00-08:30, 12:00-13:00, and 16:00-19:30 only.
04 – Mabuiag	4+ months' supply	Network/property leaks	Level 3 Water Restrictions – Overnight Flow Reduction and no outdoor use. Emergency desalination unit running.
05 – Badu	Groundwater source (assume 6+ months' supply)	High consumption, Network/property leaks	Level 3 Water Restrictions – Overnight Flow Reduction and no outdoor use.
06 – Kubin	3+ months' supply	Network/property leaks	Level 4 Water Restrictions – Water available between 07:00-08:30, 12:00-13:00, and 16:00-19:30 only.
07 – St Pauls	1+ months' supply	Network/property leaks	Level 4 Water Restrictions – Water available between 07:00-08:30, 12:00-13:00, and 16:00-19:30 only. Emergency desalination unit running.
08 – Hammond	Chlorinated water supplied from TI	Network/property leaks	Level 2 Water Restrictions Outdoor use restricted to Saturday & Sunday 08:00-09:00 and 17:00-18:00
09 – Iama	Solely reliant on desalinated water	Network/property leaks	Level 4 Water Restrictions – Water available between 07:00-08:30, 12:00-13:00, and 16:00-19:30 only. Leaks investigations.

Community	Water remaining	Primary Issue	Work being done to address security
10 – Warraber	4+ months' supply	Network/property leaks	Level 3 Water Restrictions – Overnight Flow Reduction and no outdoor use. Mobile desalination unit in place.
11 – Poruma	6+ months' supply	Network/property leaks	Level 2 Water Restrictions – No outdoor use.
12 – Masig	6+ months' supply	Network/property leaks	Level 3 Water Restrictions – Overnight Flow Reduction and no outdoor use.
13 – Ugar	6+ months' supply	Network/property leaks	Level 2 Water Restrictions – No outdoor use.
14 – Erub	6+ months' supply	Network/property leaks	Level 3 Water Restrictions – Overnight Flow Reduction and no outdoor use.
15 – Mer	6+ months' supply	Network/property leaks	Level 3 Water Restrictions – Overnight Flow Reduction and no outdoor use.

Note: Months of water remaining are calculated on the previous 4 weeks of consumption and production data and does not include potential rainfall. The months of remaining water can change very quickly if a desalination plant is offline for an extended period of time.

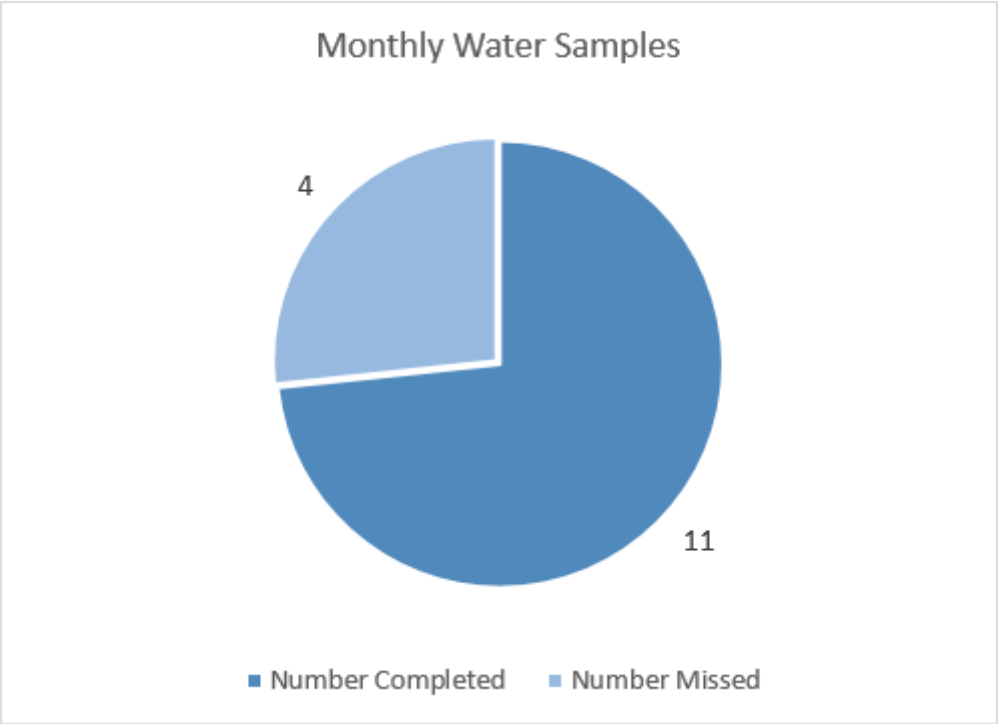

WASTEWATER STATUS

#	Island	Comments
1	Boigu Island	• Normal operation. Repairs required.
2	Dauan Island	• No Sewage Treatment Plant
3	Saibai Island	• Normal operation. Repairs required.
4	Mabuiag Island	• Not operational. Repairs/full upgrade required.
5	Badu Island	• Normal operation. Repairs required.
6	Kubin Community	• Normal operation.
7	St Pauls Community	• Normal operation.
8	Hammond Island	• No Sewage Treatment Plant
9	Iama Island	• Normal operation. Repairs/full upgrade required.
10	Warraber Island	• Normal operation. Repairs required.

11	Poruma Island	• Not operational. Repairs/full upgrade required.
12	Masig Island	• Normal operation. Repairs/full upgrade required.
13	Ugar Island	• No Sewage Treatment Plant
14	Erub Island	• Normal operation. Repairs required.
15	Mer Island	• Normal operation. Repairs required.

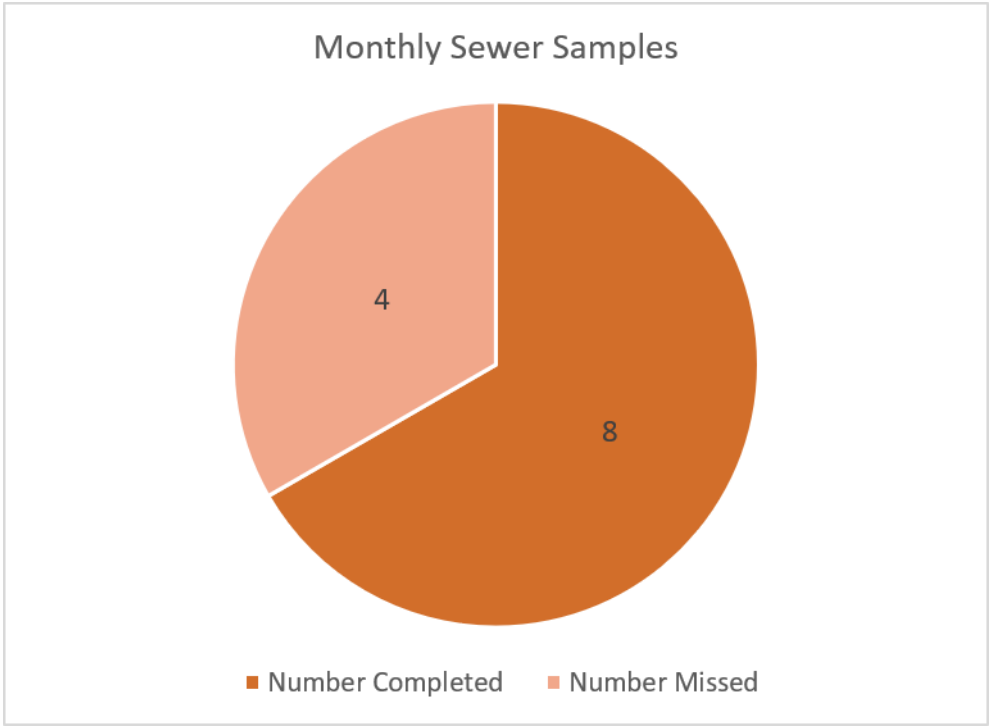

WATER AND WASTEWATER SAMPLING

Water

Monthly water samples for September were collected and analysed from 11 communities, with E. coli detected only at Kubin which is already under a Boil Water Alert.

Sewer

Monthly wastewater samples for September were collected and analysed from 8 wastewater treatment plant.
